Co-Creating Feminist Realities: The AWID Forum Process ('CFR') This initiative shares the title of our strategic plan because we believe co-creating feminist realities is an important movement building contribution that AWID will be making in this period. Through the movement building process of the Forum, we intend on unearthing, curating, co-creating and amplifying feminist realities, proposals and narratives. Building on the theme and outputs of the 2016 AWID International Forum that focused on visioning a feminist future, we aim to ground this inspiration in the strategies, lessons and action of our feminist realities. This initiative contributes to demystifying feminism, making visible feminism in practice, inspiring exchange and joint action, and providing spaces for strategizing, thus increasing the collective impact and power of our feminist alternatives.

4b (Code:) (Expenses \$ **567,157** including grants of \$) (Revenue \$)

Advancing Universal Rights and Justice. -Uprooting Fascisms and Fundamentalisms ('AURJ') This initiative aims to promote the universality and indivisibility of rights, advance women's rights and feminist agendas and challenge fundamentalist and fascist influence and actors. Through this initiative, we produce knowledge to visibilize the ways in which anti-rights actors are operating and colluding in global spaces. Equipped with this knowledge, we also create space for feminist, women's rights and gender justice movements and allies to strategize and take collective action to counter the influence and impact of anti-rights actors and agendas. Our advocacy seeks to advance feminist, women's rights and gender justice frameworks, norms and proposals and to protect and promote the universality of rights.

4c (Code:) (Expenses \$ **534,421** including grants of \$) (Revenue \$)

Resourcing Feminist Movements ("RFM") Responding to the moment of political repression and new forms of organizing arising from shifting contexts, our work in this area will not only focus on better and more financial resources from diverse donors, including bilateral financing of gender equality, but also explore, exchange and strengthen how movements are organizing in response to this context, the resources they require to accomplish meaningful change, and the resourcing models they are using. We intend to contribute to shaping funding models that are movement responsive, and that in turn re-center how we understand change towards approaches that utilize and harness the power of feminist movement building knowledge. We are committed to developing collective strategies and mechanisms that contribute to better alignment of donor funding with the priorities, constituencies and strategies of feminist women's rights, and gender justice movements.

4d Other program services (Describe in Schedule O.)
