The Parent Training and Information Center is a comprehensive resource library and training center. The Center offers parents information on the laws of special education, education, specific disabilities, the latest research on treatment and interventions, adaptive technology and more. This resource center is especially critical to our work, as it is accessible to families that traditionally would not have had access to this information. The PTI also provides one-on-one assistance to families of children and youth with special needs, offers advance leadership training for parents and provides a supportive network through peer-to-peer support for families. AJE reached 1,993 parents through individual assistance, support at meetings and trainings and trained 622 professionals on special education related topics. AJE also trained 37 parents through our advanced leadership training program, the Parent Leadership Academy.
