Part V, Line 4: Intended uses of the endowment fund.	The Society spends the earnings of the above funds for purposes as deemed necessary by the Society. Over the long-term, the Society expects the current policy to allow its endowment funds to grow at an average of 3-4% annually. This is consistent with the Society's objective to provide a predictable stream of funding from its endowment funds, while also maintaining the purchasing power of the endowment assets and providing additional real growth through investment return. The fund will meet this objective by investing endowment funds in fixed income and equity investments.
