### Form 990, Part III, Line 4a:

Delta Center for Independent Living is a non-profit organization which exists to support people with disabilities to live as independently as possible in the community. Our coverage area includes St. Charles, Lincoln, and Warren Counties. We are one of twenty-two centers in Missouri. Centers for Independent Living arose from the disability rights movement in the early 1970's. Communities were not accessible and supports to assist people with remaining in their homes did not exist. The disability rights movement led to the Rehabilitation Act of 1975 and eventually the Americans with Disabilities Act. Advocacy and connecting people with disabilities to community supports remains at the core of what we do. We provide individual advocacy to assist folks with specific issues as well as community advocacy focused on breaking down barriers to independent living. This past year, Delta Center remained part of the St. Charles County Housing Team. Affordable and accessible housing in St. Charles remains one of the biggest barriers to people with disabilities. The housing team continues to explore options to create more opportunities for affordable and accessible housing. Delta Center also maintains an agreement with the Equal Housing Opportunity Council to assure multi-family housing units are meeting fair housing standards. . Connecting people to community resources through our information and referral services assisted 284 people during the last reporting year. Referrals range from financial assistance to transportation to in-home supports and health care services. There is no end to what people with disabilities will need in the way of community supports to remain independent. . Skills training, which can encompass self-advocacy, cooking, budgeting, etc. assisted 20 people over the last year. . Peer support services connect people with disabilities with each other in order to create natural support networks of people who have common, shared experiences. Last year Delta Center began our "Endeavour Program" designed to assist people with spinal cord injuries with both transitioning from rehabilitation to their new life with a disability as well as on-going peer support. This program was greatly impacted by COVID-19. There were no opportunities for in-person peer support groups so all activities were virtual. This program served 56 people. . Delta Center partners with Missouri Assistive Technology with their "TAP" program. This provides a free adapted telephone to anyone with a hearing or visual impairment who makes less than \$60,000 per year. . Delta Center partners with the Veteran's Administration by providing veteran-directed in-home services in Warren, Lincoln, and Montgomery Counties. Late this fiscal year, Delta Center began providing financial management services (FMS) to a large, local provider of the veteran-directed care program of St. Louis and St. Charles Counties. This will provide Delta Center with additional revenue while at the same time support veterans with disabilities. Beginning with our next fiscal year, the VA has notified Delta Center that our own veteran-directed program will greatly expand to include the City of St. Louis and several counties in Illinois. This is tremendously exciting news. . Delta Center offers an equipment exchange program which provides durable medical equipment to people who otherwise cannot afford such items. During this year, Delta Center received 306 donated items with an estimated value of over \$53,000. One hundred twenty-one individuals received donated medical equipment. . Delta Center offers an "Aging in Place" assessment designed to identify potential risks and barriers to someone wishing to age-in-place at home. The assessment also offers suggestions for supports and resources to mitigate risks as much as possible. . Delta Center partners with the St. Charles Community Council by providing work space for their coordinated entry team.
