Delta Center for Independent Living is a non-profit organization which exists to support people with disabilities to live as independently as possible in the community. Our coverage area includes St. Charles, Lincoln, and Warren Counties. We are one of twenty-two centers in Missouri. Centers for Independent Living arose from the disability rights movement in the early 1970's. Communities were not accessible and supports to assist people with remaining in their homes did not exist. The disability rights movement led to the Rehabilitation Act of 1975 and eventually the Americans with Disabilities Act. Advocacy and connecting people with disabilities to community supports remains at the core of what we do. We provide individual advocacy to assist folks with specific issues as well as community advocacy focused on breaking down barriers to independent living. This past year, Delta Center remained part of the St. Charles County Housing Team. Affordable and accessible housing in St. Charles remains one of the biggest barriers to people with disabilities. The housing team continues to explore options to create more opportunities for affordable and accessible housing. Delta Center also maintains an agreement with the Equal Housing Opportunity Council to assure multi-family housing units are meeting fair housing standards. . Connecting people to community resources through our information and referral services assisted 284 people during the last reporting year. Referrals range from financial assistance to transportation to in-home supports and health care services. There is no end to what people with disabilities will need in the way of community supports to remain independent. . Skills training, which can encompass self-advocacy, cooking, budgeting, etc. assisted 20 people over the last year. . Peer support services connect people with disabilities with each other in order to create natural support networks of people who have common, shared experiences. Last year Delta Center began our "Endeavour Program" designed to assist people with spinal cord injuries with both transitioning from rehabilitation to their new life with a disability as well as on-going peer support. This program was greatly impacted by COVID-19. There were no opportunities for in-person peer support groups so all activities were virtual. This program served 56 people. . Delta Center partners with Missouri Assistive Technology with their "TAP" program. This provides a free adapted telephone to anyone with a hearing or visual impairment who makes less than \$60,000 per year. . Delta Center partners with the Veteran's Administration by providing veteran-directed in-home services in Warren, Lincoln, and Montgomery Counties. Late this fiscal year, Delta Center began providing financial management services (FMS) to a large, local provider of the veteran-directed care program of St. Louis and St. Charles Counties. This will provide Delta Center with additional revenue while at the same time support veterans with disabilities. Beginning with our next fiscal year, the VA has notified Delta Center that our own veteran-directed program will greatly expand to include the City of St. Louis and several counties in Illinois. This is tremendously exciting news. . Delta Center offers an equipment exchange program which provides durable medical equipment to people who otherwise cannot afford such items. During this year, Delta Center received 306 donated items with an estimated value of over \$53,000. One hundred twenty-one individuals received donated medical equipment. . Delta Center offers an "Aging in Place" assessment designed to identify potential risks and barriers to someone wishing to age-in-place at home. The assessment also offers suggestions for supports and resources to mitigate risks as much as possible. . Delta Center partners with the St. Charles Community Council by providing work space for their coordinated entry team.

Return Reference	Explanation
Pt VI, Line 2	Board member Mike Bender and the Vice-President, Austin Bender, have a family relationship.
Pt VI, Line 11b	The draft of the Form 990 was emailed to all board and finance committee members for their questions, comments, and changes. Any changes were forwarded to the 990 preparer and the 990 revised. It was then provided for review again before filing with the IRS.
Pt VI, Line 12c	The policy calls for board members and the executive director to review, discuss, and sign their individual conflict of interest statement annually. The executive director maintains the signed documents. In the event of a potential conflict of interest of a board member or the executive director, the individual involved would recuse him/herself from the discussion. The other board members would then discuss the potential conflict and, if warranted, determine a course of action.
Pt VI, Line 19	Delta Center's governing documents, conflict of interest policy, and financial statements are available to the public upon request.
Pt VII, Col (F)	and col. E - The W-2 amount represents the calendar 2020 salary paid to the executive director by the related organization noted in Sch. R, Part II. The amount in column F represents the health insurance and retirement paid by the related organization. The executive director's personnel costs allocated to this organization for the fiscal year are reported in Part IX, line 5, and are based on an estimate of time spent on this organization's activities.
Other	Pt. IV, 15a and 15b - A compensation survey was completed several years ago and was not deemed necessary for this year. Staff was the same and economic conditions had not materially changed through year-end.
Pt XII, Line 2c	The finance committee, which meets on a regular basis, is responsible for selecting the auditing firm, overseeing the audit process, reviewing the audited statements when they are completed, and recommending their approval to the board of directors.
Other	Pt. IX, Column D - As in prior years, there is a minimal amount of expense allocated to fundraising since the main funding source is a renewing grant with a department of the State of Missouri. There will be more fundraising expenses in subsequent years as the development of other fundraising sources are pursued.
Pt VIII	Line 8a - Contributions only were requested for one event and the other event was cancelled due to the pandemic after some contributions had been received. The amount on line 8a represents contributions from both events. There were no attendees so all revenue from the events is considered contributions and on line 1c. The loss is due to the small amount of expenses incurred.
Other	Pt. I, line 5 and Pt. V, question 2a - The total number of W-2's issued by Delta Center PAS in 2020, the related organization, was 14. As noted in Schedule R, all salaries and wages of employees are shared between the two organizations. The number "4" in these boxes represents the estimated FTE's of staff time spent on this organization's activities. The other 10 FTE's are reported in these boxes on the 990 of Delta Center PAS.
Pt III, Line 2	As noted in Pt. III, Delta Center, in the latter part of the fiscal year, began providing financial management services (FMS) to a local tax-exempt organization by processing payroll, tax, and non-employee goods and services. All services were paid and subsequently billed dollar-for-dollar to other organization. The amounts paid by Delta Center and subsequently billed to the other organization are considered agency transactions for accounting purposes and are not included in the revenue (Pt. VIII) and expenses (Pt. IX). Delta Center receives administrative fees for the services which is reported in Pt. VIII, line 2.
