Explanation: Letter will be sent in addition to this. Our organization encountered significant extenuating circumstances that prevented us from filing on time. Over the past two years our Executive Director faced a series of severe unforeseen and extraordinary events including: - **Cancer Diagnosis**: Her father Patrick J. Walters was diagnosed with cancer in 4 13 21 - 4 22 21 This time range covers the initial finding biopsy and subsequent emergency surgery to remove initial PET scans. - **Major Open Heart Surgery**: Mr. Walters underwent triple initially planned as quadruple bypass surgery in 5 19 22 - **Extended Follow-up Care**: The required follow-up care that is still happening. We are working with the VA to assign home health care but the VA is VERY slow This has had major impact to our operations. Some of the impact is due to the land that Mr Walters owns is where the horses and other animals reside is managed and owned by Mr. Walters. So without him being able to care for the land we had to find other sources to manage the property while caring for him at the same time. This wasn't Additionally Mr. Walters was diagnosed with early onset dementia in Oct 2010 which required ongoing care and assigned caregivers from his family. During this challenging period the entire board of directors who are caregivers for Mr. Walters were heavily involved in supporting his recovery. Currently our Executive Director is undergoing medical treatment herself but managed to file for an extension immediately upon realizing the situation. Initially with her father To mitigate these types of issues and help with other responsibilities she hired an assistant to manage supporting responsibilities. Unfortunately it was later discovered in March 2024 that this individual did not file the returns as required resulting in the late submissions. The assistant had already resigned. Consequently we have decided to centralize these critical tasks to ensure they are handled directly by the Executive Director or another senior officer rather than delegating them to staff. Despite these difficulties we have taken steps to ensure timely compliance in the future including: - Implementing new internal controls and oversight mechanisms. - Establishing a more rigorous process for managing and monitoring compliance tasks. We have always aimed to comply fully with our filing obligations and have a history of timely filings and payments. We believe our situation constitutes reasonable cause under IRS guidelines and we respectfully request that the penalty be abated in consideration of these circumstances.
