Return Reference	Explanation
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The Institute is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from state income and franchise taxes under Section 23701d of the California Revenue and Taxation Code, except to the extent of unrelated business taxable income as defined under Internal Revenue Code Sections 511 through 515. A provision for income taxes has not been recorded in the accompanying financial statements. The Institute is not a private foundation. For the years ended December 31, 2021 and 2020, the Institute has documented its consideration of guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements. The Federal Form 990, Return of Organization Exempt from Income Tax, is subject to examination by the Internal Revenue Service, generally for three years after it is filed. Tax positions taken related to the Institute's tax exempt status, unrelated business activities taxable income and deductibility of expenses and other miscellaneous tax positions have been reviewed, and management is of the opinion that material positions taken by the Institute would more likely than not be sustained by examination. Accordingly, the Institute has not recorded an income tax liability for uncertain tax benefits as of December 31, 2021 and 2020 nor does it expect there will be a material change in the twelve months following the year ended December 31, 2021. As of December 31, 2021, the Institute's tax years ended December 31, 2017 through December 31, 2021 remain subject to examination in the United States federal tax jurisdiction and the tax years ended December 31, 2016 through December 31, 2021 remain subject to examination in the California state tax jurisdiction.
