Return Reference	Explanation
Part X, Line 2:	Accounting standards provide detailed guidance for the financial statement recognition, measurement and disclosure of uncertain tax positions recognized in an organization's financial statements. Under these standards, an organization is required to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. MAXCourage has evaluated its significant tax positions against the criteria established and believes there are no such tax positions requiring accounting recognition. MAXCourage's federal and state tax returns may be subject to examination by taxing authorities for the years ended June 30, 2022, 2021 and 2020.
