Form 990, Part I, Line 1	The Cristo Rey Network is the largest network of high schools in the country enrolling only low-income youth. Comprised of 38 Catholic, college preparatory schools serving more than 12,300 students across 24 states, the Cristo Rey Network delivers a distinctive approach to inner-city education to equip students with the knowledge, character, and skills to transform their lives. From freshman year, Cristo Rey schools establish a culture of high expectations by blending rigorous academics, four years of professional work experience through the Corporate Work Study Program, Catholic educational values, and support for students to and through college. The impact is clear: Cristo Rey graduates enroll and graduate from college at twice the rate of other low-income high school graduates. The Cristo Rey Network national office protects the integrity of the movement and advances school excellence and innovation by: - Surfacing, scaling, and standardizing effective practices across all schools - Facilitating new school growth - Supporting mission accountability - Stewarding national branding, visibility and fundraising
