Return Reference	Explanation
Part X : FIN48 Footnote	Technovation is organized as a California nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3), qualifies for the charitable contribution deduction under IRC Sections 170 (b)(1)(A) (vi) and (viii), and has been determined not to be private foundation under IRC Sections 509(a). The entity is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the entity is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. Technovation has determined that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.U.S. GAAP provides accounting and disclosure guidance about positions taken by an organization on its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by Technovation in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. Under the statute of limitations, Technovations returns are subject to examination by federal and state taxing authorities for three and four years, respectively, after they are filed.

Return Reference	Explanation
Additional Supplemental Information	All funded chapters need to fill out a budget and form before we send the funds to explain how they are going to use their mini-grant. Through the season we have multiple check ins with chapters to make sure they are on track. At the end of the season, all funded areas are required to fill out an End of Year Grant Report. Some regions/countries will need to answer questions specific to the grant they received.We explicitly state that our small mini grants are unrestricted, as long as they are going toward the program in that region.The exceptions are when we have larger amounts going out and have specific MOUs per grant with the chapter ambassador who is the recipient; for larger grants (above 20K that won't be split locally) we have also started sending the money in two or even three chunks so that we can understand if the chapter is on track with their MOU deliverables.
