TY 2022 IRS 990 e-File Render

Name: Illumination Education Inc

EIN: 27-3742915

Explanation: Due to administrative errors made by the organization's prior support staff, the 2022 Form 990 was not filed by its correct due date. When the Form 1023 Application for Exemption was filed, the form mistakenly designated a December year-end for the organization. The organization operates a Texas nonprofit charter school which is required to have a June year-end. The missed 2022 tax deadline was discovered when the organization recently hired a new contract accountant who works with many Texas charter schools. The accountant immediately took steps to hire a reputable accounting firm with extensive nonprofit expertise to prepare and file the 2022 Form 990 as soon as possible. The organization's officers have been made aware of the tax return filing deadlines and are making every effort to comply with the tax return filing requirements. The organization, in coordination with the accounting firm, will file a short year Form 990 for the period January 1, 2023 - June 30, 2023 to change the School's year-end in the IRS records to agree with State records. For the reasons and circumstances described above, the organization respectfully requests the abatement of all late filing penalties due to reasonable cause.
