What is the organization's primary exempt purpose?

The Crenshaw Subway Coalition seeks to be a vehicle for advancing public involvement in the community development process through engagement, education and empowerment, and by promoting social, economic and racial justice.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.

28 Through the empowerment of Crenshaw Corridor stakeholders it is our hope and belief that we can reverse the unfortunate history of transportation projects being built through, but not for our communities, and establish a powerful basis for pursuing community-driven development predicated on local ownership and economic empowerment.
