Briefly describe the organization's mission:

1	Briefly describe the organization's mission:
Eriks	on Institute is the premier independent institution of higher education committed to ensuring that all children have equitable
oppor	rtunities to reach their potential. Recognized for our groundbreaking work in the field of early childhood, we uniquely prepare child
devel	opment, education, and social work leaders to improve the lives of young children and their families. Our impact and influence is further

amplified through our innovative academic programs, applied research, knowledge creation and distribution, direct service, and field-wide

advocacy. Because nothing matters more than a child's early years, Erikson Institute educates, inspires, and provides leadership to serve the needs of children and families so that all can achieve optimal education, social, emotional, and physical well-being.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No If "Yes," describe these new services on Schedule O.

Did the organization cease conducting, or make significant changes in how it conducts, any program Yes No If "Yes," describe these changes on Schedule O.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by

expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported. (Code:) (Expenses \$ 11,279,826 including grants of \$ 1,964,480) (Revenue \$ 6,431,725) 4a

ACADEMICS: Through contemporary master's degree, doctoral degree, and graduate certificate programs, Erikson Institute prepares leaders in child development. social work, and early childhood education. We offer the most comprehensive, interdisciplinary understanding of children and families through classes on campus and online. In 2022, Erikson conferred 146 graduate degrees and was able to provide 92% of students with some kind of scholarship support. Further, Erikson launched a reimagined teacher licensure program to now include a triple endorsement. The updated Master of Early Childhood Education degree now embeds curriculum and clinical hours that position graduates to earn additional endorsements from the Illinois State Board of Education. These endorsements include: Early

Childhood Birth-2nd Grade, Special Education, and Bilingual/ESL. This program is the first of its kind in the state of Illinois, eliminating the costly and time-consuming practice of "stacking" endorsements which does offer the holistic approach that every child needs. Further, Erikson secured philanthropic funding to offer the Educator Impact Grant, covering all tuition and fees, to eligible students who agree to teach in divested communities post-graduation.

(Code:) (Expenses \$ 6.574.638 including grants of \$ 0) (Revenue \$ 2.180.519) 4b DIRECT SERVICES: Erikson students, faculty, and staff provide a wide range of direct services directly to children and families, as well as consulting and training for the professionals who serve them. More than 7,000 families have been served by our Fussy Baby Network, Center for Children and Families (CCF), and Early

Childhood Project, a partnership with the Illinois Department of Children and Family Services. Each year, our students put in more than 49,000 hours of field service

at 68 agencies serving children and their families. Erikson's Center for Children and Families' team of psychologists, social workers, developmental and behavioral pediatricians, occupational therapists, speech and language pathologists, and other licensed mental health professionals provide pediatric mental health services for children ages 0-8, as well as their families and important caregivers. Erikson's Center for Children and Families' (CCF) has remained a constant source of mental health support for the youngest children in communities throughout Chicago during the global Covid-19 pandemic. To provide a continuum of care during the

pandemic, CCF adopted a HIPAA compliant video conferencing platform. From July 2020 to June 2021, a total of 319 families were supported by the early childhood mental health and diagnostic services provided by CCF. In 2022, in-person therapy and clinical services were able to resume along with proactive outreach to help support communities in the wake of ongoing gun violence. We also offer programs to help professionals who work with children and families hone their skills, learn

new techniques, and earn credits to maintain their professional licenses.

290,766) (Code:) (Expenses \$ 2,371,612 including grants of \$ 165,023) (Revenue \$

RESEARCH, POLICY & LEADERSHIP: Erikson's current research projects respond directly to the needs of young children and the people who serve them by focusing

on what works and how, and on models that can be replicated. Our groundbreaking research includes several studies that are the first of their kind in the field on topics including home visiting, mindfulness interventions in the classroom, and home-based childcare, Erikson's Policy and Leadership Department released the

second edition of the Risk and Reach Report in July 2021, which features data that provide a comprehensive, county-by-county analysis of Risk factors that

undermine optimal child development for the 916,880 children aged 5 and under in Illinois (7.32% of the state's population) and compares them to the Reach of

publicly funded programs and services that support early childhood well-being. In 2022, the Early Childhood Leadership Academy (ECLA) enrolled a new cohort of Executive Fellows and engaged more than half of ECLA alumni in advancing policy proposals for change across Illinois. Erikson also launched the Decolonizing Language and Data training to widely share knowledge about the impact that words and data have on the people they are describing.

The Board of Trustees has designated certain amounts of unrestricted revenues to be classified as

whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Institute may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Institute and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified
