<td>1. There is an intake application for the aid verifying the status, background and circumstances of substantial impoverishment for each recipient. 2. An extensive, detailed database is maintained incorporating all of our survivors' medical histories, personal information and other particulars to ensure we are able to oversee and be proactive in their care. In this way, and through our home visits and correspondence, we are able to track their progress and see the direct results of our intervention and how the aid from the Survivor Mitzvah project has made a meaningful improvement to their lives. 3. Home Visits: Local volunteers make periodic home visits, analyze the need and distribute financial aid. Officer travels to meet the individuals at their foreign residence to witness firsthand their helplessness and the squalor in which they live and determines the individuals' need for assistance. She then personally gives each individual assistance based on her analysis.</td>
