SEXUAL VIOLENCE JUSTICE INSTITUTE: The Sexual Violence Justice Institute provides expertise in the criminal justice and community response to sexual violence. System change-in protocol, procedures, and routine practice-is a key element to improving the response to sexual violence. We work with communities to create a comprehensive, victim-centered response through multidisciplinary collaborations, leadership development, training, and technical assistance. As a state and national technical assistance provider for Minnesota OJP and the Office of Violence Against Women, we share our decades of experience to increase knowledge and improve how responders work with victims/survivors and each other. We provide specialized support for rural grantees, SMART and SASP Administrators, teams considering Case File Review, Minnesota SART Collaboration Project, and leaders conducting evaluation or needs assessment.

Our members receive tools, resources, and training each year to improve the effectiveness of anti-sexual violence programs in Minnesota. Key events to support our members include the annual training symposium, legal advocacy training, Executive Directors and advocates meetings, and regional meetings for purposes of planning and organizing around emerging issues in the field.
