In 2021 NARAL Pro-Choice Missouri Foundation disaffiliated from our national organization and once again became an unaffiliated standalone reproductive rights organization: Pro-Choice Missouri Foundation (PCMF). Throughout this transition PCMF has continued a trajectory of growth statewide, excelling in virtual outreach and communication. PCMF hosted 24 events in 2021, majority virtual, educating more than 1400 people on issues of reproductive health, rights, and justice. . For 35 years, the organization has trained patient escorts at two local clinics providing abortion care. In 2021, PCMF's signature clinic escort program held nine trainings, and currently has 104 active clinic escorts who act as physical barriers for patients from hostile anti-abortion protesters at clinics that provide reproductive health care, including abortion care. . PCMF has a thriving high school fellowship program launched in 2020. Drawing from diverse St. Louis area high schools, the organization had three summer and two fall interns who worked on grassroots organizing, advocacy, and communications. Working with staff, they managed a very impressive social network presence and educated their communities about reproductive health and intersectional issues. Staff, fellows, and volunteers held regular visibility events to educate the public about a variety of reproductive health, rights, and justice topics, including environmental justice, wage equity, workplace discrimination, and abortion access. The organization also provided educational briefing papers to the public about critical health issues and legislation. . Over the past ten years, the organization has done comprehensive research about youth access to abortion, contraceptive access, rape survivors' access to emergency contraception in emergency rooms, access to Title X services, the efficacy of crisis pregnancy centers, the landscape of sex education in Missouri, and a host of other topics related to reproductive rights. . The organization is committed to being an anti-racist organization supporting and lifting up the voices of all those most disproportionately impacted by the dangerous abortion ban that passed in 2019. With some 20 organization allies, all working for the health and safety of Missouri women and families, we sought to protect individual rights and the rights of families, worked with faith-community allies, and organized against threats posed by the legislature, policymakers, and in the community generally.

Return Reference	Explanation
Other	Pt.I, line 5 and Pt. V, question 2a - The organization shares personnel and overhead costs with NARAL Pro-Choice Missouri (NARAL)noted in Sch. R, Part II. The organization reimburses NARAL for its share of the costs based on time spent on its projects compared to total time spent by staff. The total number of W-2's issued by NARAL for 2021 was 14, and all employees provided services to both organizations. As noted in Schedule R, personnel costs of employees are shared between the organizations. The number 11 in these boxes represents the estimated FTE's of staff time spent on this organization's activities.
Other	Pt. VII - In column D next to the executive director's name, there's no salary noted since it was paid by and reported on her W-2 with NARAL's Federal ID number (see comment above). The total salary for 2021 paid by NARAL is noted in column E. The salary and fringe benefits reimbursed to NARAL based on work done for this organization are reported in Pt. IX, line 5.
Pt VI, Line 7a	The organization is the subsidiary of the parent organization (per Schedule R definition)of NARAL Pro-Choice Missouri(NARAL). NARAL is the only member of the organization and appoints the board members of the organization.
Pt VI, Line 11b	The 990 draft was emailed to board members with a request that each member respond during a comment period with either an approval or with additions/corrections. Changes, if any, were then summarized and forwarded to the tax preparer for inclusion in the final return.
Pt VI, Line 12c	Each board member and the executive director sign the conflict of interest form annually. If a potential conflict should arise during the year, the individuals are required to report and discuss the issue.
Pt VI, Line 15a	Board members reviewed compensation of executive directors of not-for-profits in the metropolitan area with similar annual revenues and personnel to determine that compensation was reasonable and comparable.
Pt VI, Line 15b	The executive director determined through discussions with other E.D.'s and community members that the compensation for staff was reasonable and comparable.
Pt XII, Line 2c	Although the organization does not obtain compiled or audited statements, they contract with a CPA who reviews the transactions quarterly and is available for consultation as needed. She provides "preparation engagement statements" at year-end that are comparable to compiled statements. Due to the small number of board members, all are involved in reviewing quarterly financial statements and the 990 and monitoring the overall financial affairs of the organization.
Pt VI, Line 7b	Since NARAL Pro-Choice Missouri is the parent organization and appoints the board members,technically board decisions could be subject to the parent's approval but, in reality, the board acts independently.
Pt VI, Line 6	As noted above, NARAL Pro-Choice Missouri is the only member of the organization.
Pt VI, Line 19	Pro-Choice Missouri Foundation's governing documents, conflict of interest policy, and financial statements are available to the public upon request, and the 990's are on the Guidestar/Candid website.
