Return Reference	Explanation
PART X, LINE 2	The Center accounts for the effect of any uncertain tax positions based on a more likely than not threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax effect is estimated based on a cumulative probability assessment that aggregates the estimated tax liability for uncertain tax positions. Interest and penalties, if any, are accrued as a component of general and administrative expenses when assessed. The Center is a not-for-profit organization that is exempt from taxes under Section 501c3 of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. Similar to other tax exempt organizations, the Center is subject to tax on unrelated business income. Tax years prior to 2019 are no longer subject to examination by the IRS or the tax jurisdiction of the District of Columbia. During the tax years ending October 31, 2022 and 2021, the Center did not have net taxable income from unrelated business activities; therefore, there is no provision in these financial statements for income taxes or interest and penalties related to unrecognized tax benefits.
