Our unique and highly leveraged debt abolishment model combines the generosity of donors with debt industry expertise to produce a high volume of debt relief return, mitigating significant financial and mental distress for millions of people. ** A unique solution for patient-centered health care providers. By partnering with us, health care systems can strengthen individuals and communities by relieving dormant, uncollectible, and damaging bad debts and can identify opportunities to refine their financial assistance programs to better serve their communities. ** A moral force of systemic change. Our work brings attention to the range of negative impacts caused by medical debt and a deeper understanding of its causes. These efforts support progress toward a more compassionate, transparent, equitable and affordable healthcare system. Who is RIP Medical Debt? We are a not-for-profit, national charity that raises funds from donors and uses those funds to acquire and abolish medical debt. Since our founding in 2014 (as Medical Debt Resolution, Inc.), we have abolished nearly \$8.8 billion of medical debt and helped more than 5.5 million people. What is the goal of RIP Medical Debt? RIP Medical Debt seeks to help families and individuals burdened by medical debt by acquiring and abolishing these debts. By cancelling these debts, we bring financial relief to families and reduce related stress. This then improves the health of patients, families, and communities. Why we do this work? Medical debt often results from unplanned and unexpected illnesses and accidents. About one third of adults in the United States have difficulty in paying their health care bills. In many areas and for many reasons, people remain uninsured and those who are insured receive expensive bills after receiving care. Medical debt is the leading cause of bankruptcy in the United States. We do this work to relieve the burden of medical debt, to prevent people from skipping or delaying medical care because of cost-related fears, and to support people living healthier lives. People, helping people We depend on donations from individuals, corporations, charitable organizations and government to support us in our mission and purpose.
