What is the organization's primary exempt purpose?
Taproot is a nonprofit shared-use certified commercial food processing facility on Lopez Island, Washington.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.

28 completion of the Generator installation and dishwasher at Taproot allows the businesses and organizations using the kitchen to source and store perishable ingredients more efficiently and with better quality control, and also allows them to expand their operations with the assurance that there are adequate refrigeration capacities for all needs. It also signals to potential users that there is plenty of capacity for their envisioned projects, encouraging businesses which may not have been plausible with the previous limited refrigerated space. Currently there are 15 businesses using the kitchen monthly
