Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

All Blessings Flow is a local faith-based organization which collects, refurbishes, and redistributes used medical equipment free of charge to those in need throughout Charlottesville, VA and the surrounding areas. We rely on the kind gifts of friends and partners in our community including many medical and rehab professionals who contact us on a daily basis to assist their elderly and low income patients. Every dollar contributed goes directly to support our program services.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 2,210,783 including grants of \$ 2,032,607) (Revenue \$ 0)

The most recent Community Health Needs Assessment for our local health district revealed that limited access to healthcare resources affects thousands of Central Virginia residents. The lack of desperately needed healthcare items leads to more significant health disparities for our most vulnerable neighbors. To address this problem, All Blessings Flow acquired over 38,700 items equivalent to 220,274 pounds of used medical equipment and medical supplies valued at \$2,033,413 which was carefully cleaned and refurbished for redistribution. During the year, the organization distributed 36,340 pieces of used medical equipment and supplies valued at \$2,032,607. These items were distributed free-of-charge to 5,483 uninsured or under-insured disabled adults and children coming from 60 different cities and counties within the Commonwealth of Virginia and beyond. The Pediatric portion of our program involves close collaboration with University of Virginia (UVA) healthcare professionals, including two volunteer program coordinators who are pediatric therapists at UVA Children's Hospital. The organization also works in partnership with UVA's "Blue Ridge Care Connection for Children" program to help needy families access medical services targeted to their child's unique healthcare needs. Blessed with an extensive inventory, we can provide families with pediatric equipment and adaptive items individualized for children based on their sizes and disabilities. In 2022, the organization also launched a community outreach initiative to improve rural healthcare access by delivering our services to underserved rural populations. Our mobile trailer unit travels and sets up one day each week at neighborhood sites in five surrounding counties. We collaborate with church partners in each county, with volunteers from local churches working alongside our site leader to help facilitate the program and reach more families in need. The equipment resources we provide help children, adults, seniors, and their families lead safer, healthier, and happier lives.

4b (Code:) (Expenses \$ 1,717 including grants of \$ 0) (Revenue \$ 13,336)

The organization has developed a digital Disability Resource Guide which brings together a comprehensive network of resources committed to providing the tools, services, and support needed to improve the quality of life of every adult, senior, or child living with a disability in our community. With 15 different categories and over 400 links to vendors and agencies, the guide consolidates invaluable resources covering all forms of disability including physical, intellectual, developmental, sensory, and/or mental challenges. Our vision is to provide individuals, caregivers, and healthcare professionals with an easy way to connect to our area's many wonderful resources. In addition, the resource guide generates revenue that helps to support our mission through corporate sponsorships. Collectively, our sponsors paid \$13,336 total for the privilege of adding their name and logo to the site. Sponsorship is not a requirement to be listed on the site. The resource guide was developed and is maintained by volunteers. The Disability Resource Guide is located at http://www.disabilityresourcesunited.org

Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Return Reference	Explanation
Schedule I, Part I, Line 2	All Blessings Flow clients are most often referred to us by reliable and trusted partners that we work with regularly to assist the disabled. Many other disabled, uninsured or underinsured individuals learn about our organization through a relative, friend, or caregiver. Once a referral has been made, we conduct an intake interview and begin our documentation process. Every grantee we serve, or a family member or caregiver, completes an intake form questionnaire. That form includes personal identification, demographic information, specific health questions, and a liability waiver. Completed intake forms are collected weekly, and data is processed by several of our volunteers. We maintain multiple databases in which data is organized and analyzed for our different programs. Following data input, all intake forms are maintained in binders, organized chronologically by month and year. Within a few weeks of their initial visit, we conduct follow-up interviews with grantees to assess their health status and determine if their need for equipment and supplies has been met and if they have other healthcare needs at this time.

Return Reference	Explanation
Form 990, Part I, Line 1	All Blessings Flow is a local faith-based nonprofit organization which collects, refurbishes, and redistributes medical equipment and supplies to those in need in Charlottesville and Central Virginia. Our primary mission is to promote health equity, improve access, and reduce health disparities for underprivileged people with disabilities. Our clients are primarily low-income families who are uninsured or underinsured, representing many underserved groups. We serve all ages, including many children, with all types of disabilities and health conditions. To connect with those in need of our services, we work closely and receive need requests from area hospitals, assisted living and skilled nursing facilities, scores of healthcare providers, and over 150 community service organizations. We rely on the kind gifts of friends and partners in our community, including medical and rehab professionals who seek assistance for their elderly and low-income patients on a daily basis. Every dollar contributed goes directly to support our mission of providing medical equipment free of charge to those in need.
