Return Reference	Explanation
Form 990, Part VI, Section B, Line 11b	The return is prepared by counsel based on the financial and other records of the organization. The draft return is then circulated to organizational leadership for review and comment. Counsel then makes any necessary revisions before the return is finalized and filed.
Form 990, Part VI, Section B, Line 12c	Board members, officers, and staff are required to submit annual documentation regarding their financial interests and potential conflicts of interests. Those documents are kept in the records of the organization.
Form 990, Part VI, Section B, Line 15	The following applies to the process used to determine the compensation for Executive Director Matthew Hildreth, which last took place in 2022 with regard to compensation for that year. Data was assembled by independent consultants of the organization without input from the Executive Director. The comparability data was assembled from commercially available sources. The data consisted of compensation data of persons in similar positions with regard to duties and responsibilities, serving similar organizations with regard to size, budget geographic regions, and mission, and persons with similar experience and qualifications compared to Mr. Hildreth. The comparability data is presented to the board of directors by independent consultants. The board reviews the comparability data, with documentation of the deliberations and discussion being made by independent consultants. Based on this data, as of 2022, the board of directors determines that Mr. Hildreth's compensation is reasonable and not excessive.
Form 990, Part VI, Section C, Line 19	The organization's financial and other documents are available upon request at the organization's place of business.
