Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Our mission is to protect New Hampshire's natural environment for wildlife and people. We accomplish this by: 1) Environmental Education, 2) Conservation Science, 3) Environmental Policy and 4) Land Management and Stewardship. We fulfill this mission by setting and achieving annual goals in environmental education, conservation science, environmental policy and land management on our wildlife sanctuaries throughout New Hampshire. Our science research informs our statewide education programs in grades K to 12 in NH public and private schools and for people of all ages at our centers and sanctuaries. We publish our research for the benefit of our members, both New Hampshire state and federal agencies, other environmental nonprofit partners and the general public to increase awareness of the importance of bird and other wildlife in New Hampshire.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 230,878 including grants of \$ 0) (Revenue \$ 251,738)

NH Audubon operates three nature centers: McLane (Concord), Massabesic (Auburn), and Paradise Point (Hebron). These centers serve as the focal points for the majority of our environmental education and outreach programming. Visitors can experience a variety of interactive nature displays along with live animal exhibits. These experiences are aimed at increasing awareness and understanding about New Hampshire's flora and fauna while highlighting the role humans play in protecting them. Surrounding the Centers are walking trails for the public to enjoy. (Continued in detail on Schedule O) Our Nature Centers host a wide variety of onsite educational programming that includes preschool classes, home school classes, both guided and self-guided nature walks, professional development opportunities for K-through-12 teachers, and educational lectures. Our programming annually reaches over 40,000 adults and children. As part of NH Audubon's outreach, each Center offers onsite programming to schools, camps, and other organizations throughout the state, often which use live animals including raptors, amphibians, and reptiles. Our naturalists deliver over 650 school programs each year, facilitating over 21,000 student experiences. Our school programs are aligned with the current New Hampshire state science frameworks, which augment traditional classroom instruction by providing hands-on experimental and experiential learning opportunities. Additionally, the MacLane and Massabesic Centers operate nature-based school vacation and summer camps, which annually host over 300 children ranging from 4 to 15 years of age.

4b (Code:) (Expenses \$ 609,997 including grants of \$ 0) (Revenue \$ 225,271)

NH Audubon owns and manages a variety of properties that help preserve and protect the natural beauty, health, and habitat of its community. The Organization's sanctuaries protect several unique natural communities that include rare plants, birds, mammals, pollinators and other threatened natural wildlife. NH Audubon's land stewardship covers every county in New Hampshire, with habitats ranging from northern peat bogs to coastal salt marshes, and from high elevation spruce forests to Appalachian oak-hickory forests, with much more in between. (Continued in detail on Schedule O) For example, the Organization works to protect: - 39 separate wildlife sanctuaries, which amount to nearly 7,500 acres of protected land; - 4 properties that are maintained under a Memoranda of Understanding which dictates that, of these lands, at least 1,250 acres is to be monitored and managed for their conservation and environmental values - An additional 29 land easements across nearly 2,500 acres. In 31 of these properties, there are trail systems totaling 75 miles of maintained trails. Many sanctuaries are heavily visited for environmental education and low impact recreational uses. In particular, Pondicherry, Ponemah Bog, Massabesic, Silk Farm, Paradis Point, and Willard Pond Wildlife Sanctuaries are visited annually by more than 20,000 individuals.

4c (Code:) (Expenses \$ 515,972 including grants of \$ 0) (Revenue \$ 0)

NH Audubon is active in conservation science and environmental policy issues. Our conservation science work includes research, monitoring, and management of New Hampshire's wildlife, with a particular focus species of concern. While many of our projects do focus on birds, our work goes well beyond avian species. For example, recent studies performed or supported by NH Audubon have included bats, dragonflies, butterflies, and turtles. We are active in helping to implement the exciting MOTUS tracking system, with our partners in the northeast, which provides a system to monitor migration patterns for a variety of aerial wildlife, ranging from birds to bats to butterflies along with other wildlife species. (Continued in detail on Schedule O) We also engage a large cadre of citizen scientists in our work. Approximately 1,783 volunteers contribute over 11,600 hours annually. NH Audubon's advocacy work promotes science-based public policy at national, state, and local levels. An environmental policy and advocacy team composed of both staff and volunteers determines our positions on proposed legislation and delivers testimony at hearings. Staff members represent the organization in various state policy working groups and technical committees, and they also participate in state and regional coalitions. NH Audubon collaborates with other nonprofit organizations, state and local agencies, academic institutions, municipalities, and businesses to advance conservation causes. We respect our collaborators' perspectives while advocating the best possible environmental outcomes.

Section A. All Supporting Organizations

		Yes	No
1	Are all of the organization's supported organizations listed by name in the organization's governing documents? If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.		
2	Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).		
3a	Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If "Yes," answer lines 3b and 3c below.		
b	Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? If "Yes," describe in Part VI when and how the organization made the determination.		
c	Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.		
4a	Was any supported organization not organized in the United States ("foreign supported organization")? If "Yes" and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.		
b	Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.		
c	Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.		
5a	Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI , including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).		
b	Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?		
c	Substitutions only. Was the substitution the result of an event beyond the organization's control?		
6	Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? If "Yes," provide detail in Part VI .		
7	Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990).

Return Reference	Explanation
Part II, Line 3:	Between the years ending March 2023 and March 2022, the Organization took substantial efforts to improve its record keeping and tracking of easement-properties, and their maintenance needs and conditions. Accordingly, while the number and acreage of conservation easements has increased when compared to the Organization's previously filed tax return, there has, in reality, been no actual changes to the easement properties, nor any acquisitions of new easements during the year ending March 31, 2023.
Part II, Line 9:	The Organization reports as program revenues on Part VIII and program expenses on Part IX the income generated from and the costs incurred, respectively, related to conservation causes and the maintenance of its conservation easements. Because of the easements' intrinsic and intertwined relationship to the Organization's charitable purpose and mission, as well as the Organization's other conservation-related activities, it is not administratively reasonable for the Organization to separately state most revenues and expenses directly and specifically related to the easements. Additionally, the Organization is a membership organization whose volunteers work directly with Organization personnel to further the Organization's mission. Volunteers serve in teaching positions as trip leaders and assistants, act as environmental advocates, provide field assistance in managing and monitoring wildlife populations, act as sanctuary caretakers, and provide administrative and grounds keeping services. The value of such services has not been recorded in the Organization's audited financial statements, nor are such services included within the values reported on this Form 990, Parts VIII or IX. The Organization was able to determine that it reimbursed travel and mileage costs of \$212 for the year covered by this tax return and related to the preservation of the conservation easements. Lastly, as the Organization's easements are included within the Organization's overall conservation activities and protected properties, the Organization's audited financial statements do not separately address or contain a footnote to discuss the easements specifically or on a standalone basis.
Part III, Line 1a:	In fiscal year 2022 the Society adopted a change in accounting principle under Other Presentation Matters - General (Subtopic 360-45): Disclosure of Art, Historical Treasures, and Similar Assets, under which the practice of capitalizing and recognizing collections in the financial statements was discontinued. As allowed by Other Presentation Matters - General (subtopic 360-45): Disclosure of Art, Historical Treasures, and Similar Assets, the Society does not capitalize its collections as an asset in the statement of financial position. The art collection includes John James Audubon's "Viviparous Quadrupeds of North America." Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired, or as a decrease in net assets with donor restrictions if the assets used to purchase the items are restricted by donors. Contributed collection items are not reflected on the financial statements. Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net asset classes. In reviewing the accounting treatment of its art collection during the year ended March 31, 2022, the Society adopted the accounting policy to not reflect collection items in its financial statements, and therefore adjusted the 2021 financial statements in order to record the accounting effect of removing the art collection from the statement of financial position. During fiscal year 2022, the Society adopted a change in

	<p>accounting principle under Other Presentation Matters - General (Subtopic 360-45): Disclosure of Art, Historical Treasures, and Similar Assets, which allows an entity to not capitalize collections. With the adoption of this principle, the Society discontinued the practice of capitalizing and recognizing the collections in its combined financial statements. The application of the accounting principle was applied retrospectively, which resulted in a reduction of net assets of \$225,000 as of March 31, 2021, compared to the previously issued financial statements. The change in accounting principle was preferable, based on management's intent to hold the assets for long-term purposes, the illiquid nature of the assets, and industry trends for comparable entities with collections. For the year covered by this tax return, the Organization continues to maintain the election outlined above and first adopted in the year ending March 31, 2022.</p>
Part V, Line 4:	<p>The Society has a policy of appropriating for distribution 4% of its entire endowment fund's average fair value over the prior twelve quarters through the calendar year-end proceeding the fiscal year in which the distribution is planned, unless additional amounts are appropriated by the Board. The Society expects the current spending practice to allow its endowment funds to grow, which is consistent with the Society's objective to maintain the purchasing power of the endowment assets and to provide additional real growth through investment return.</p>
Part X, Line 2:	<p>The Society is a tax-exempt organization as described in Section 501(C)(3) of the Internal Revenue Code, (IRC) whereby only unrelated business income, as described by Section 512(a)(1) of the IRC, is subject to federal income tax. For the years ended March 31, 2023 and 2022, there was no liability for a tax on unrelated business income. The Society has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Accounting for Uncertainty in Income Taxes. Accordingly, management has evaluated the Society's tax positions and concluded the Society has maintained its tax-exempt status, does not have any significant unrelated business income, and has taken no uncertain tax positions that require adjustment or disclosure in the financial statements. With few exceptions, the Society is no longer subject to income tax examinations by the U.S. Federal or State tax authorities for tax years before 2019.</p>
Part XI, Line 2d - Other Adjustments:	<p>Rental expenses 52,479.</p>
Part XII, Line 2d - Other Adjustments:	<p>Rental expenses 52,479.</p>

Return Reference	Explanation
Form 990, Part VI, Section A, line 4	During the year ending March 31, 2023, the Organization made changes to its bylaws. Specifically, the Organization approved two significant amendments to its bylaws for this tax year: 1. Article IV, Board of Trustees, Section 2, Trustees, was amended to state the following: "The Board shall consist of not more than 20 Trustees nor fewer than 12, one of whom is a Trustee of the Loon Preservation Committee, to be appointed by the Loon Preservation Committee; one of whom is a member of the Newfound Audubon Committee appointed by that committee; one of whom is a member of the Massabesic Audubon Committee appointed by that committee; and the remainder of whom are to be elected by members of the Society at the Annual Meeting." The preceding paragraph supersedes and updates the Organization's previous bylaws' committees, chapters, and processes for board member appointment. 2. Article VI, Chapters, was amended to state the following: "In order to encourage and increase statewide support of the Society's mission, the Board may authorize Regional Chapters. The purpose of Regional Chapters will be to increase the Society's membership and to organize public activities and events that align with the Society's mission and program priorities." Additionally, the amended Article VI removed multiple paragraphs describing the processes and procedures for Chapter Authorization, Chapter Administration, and the Council of Chapters. The amended Article VI text as quoted in the preceding paragraph now represents all of the amended Bylaws' disclosures and requirements regarding Corporate Chapters.
Form 990, Part VI, Section A, line 6	The Audubon Society of New Hampshire is a membership organization. Most members pay annual membership dues; some members are granted complimentary membership. Classification of members and the amount of their dues shall be determined from time to time by the Board. Any person or organization who applies for membership and pays an annual membership fee shall be a member of the Society. Such memberships may be canceled for nonpayment of dues. All members shall have the same rights within the Society. Non-dues paying members may be permitted at the sole discretion of the Board. Additionally, in order to encourage and increase statewide support of the Society's mission, the Board may authorize Regional Chapters. The purpose of Regional Chapters will be to increase the Society's membership and visibility by organizing public activities and events that align with the Society's mission and program priorities. The Organization has written policies and procedures governing the activities of such chapters, and chapters are disclosed and discussed in the Organization's governing documents.
Form 990, Part VI, Section A, line 7a	Members of the Organization elect the board at the annual meeting, and may exercise their right to influence the Board's composition. The Board shall consist of not more than 20 Trustees nor fewer than 12, one of whom is a Trustee of the Loon Preservation Committee, to be appointed by the Loon Preservation Committee; one of whom is a member of the Newfound Audubon Committee appointed by that committee; one of whom is a member of the Massabesic Audubon Committee appointed by that committee; and the remainder of whom are to be elected by members of the Society at the Annual Meeting. Trustees shall be members of the Society. The Officers of the Society shall consist of a Chair, Vice Chair, Treasurer, and Secretary, all of whom shall be Trustees, and such other officers as the Board may from time to time determine. All officers shall be elected by the Board at the first Board meeting following the annual membership meeting, after consideration of the slate as may be recommended by the Trustee members of the Nominating and Governance Committee. The Chair will normally not serve more than one two-year term unless elected to a subsequent one-year term by a 2/3 majority vote of the members present and voting at said Board Meeting.
Form 990, Part VI, Section A, line 7b	Members of the Organization may influence or determine certain governance decisions of the Organization. A core way that the Members determine governance decisions of the Organization is through their role on various committees. Nominating and Governance Committee: This Committee, consisting of at least four members, oversees Board recruitment, Board performance, and performance of the President. Development and Membership Committee: This Committee, consisting of at least three members, oversees fundraising and fund development. The Committee Chair works closely with the Director of Membership & Development to guide fundraising strategies and actions. Finance, Audit, and Investment Committee: This Committee, consisting of at least three members, oversees finances, financial reporting, audit, tax returns, investment strategies, and other financial matters. The Committee Chair (Board Treasurer) works closely with the Director of Finance to guide financial strategies and actions. Environmental Policy Committee: An Environmental Policy Committee consisting of three or more members of the Society shall review public environmental policy issues in which the Society may have an interest, assist staff in the drafting of policy for the Society, and recommend to the Board for its approval positions to be taken to further the Society's goals. Sanctuaries and Land Management Committee: A Sanctuaries and Land Management Committee consisting of three or more members of the Society shall recommend to the Board for approval the acquisition or sale of real property and conservation easements. The Committee shall also advise and assist the staff in the management of all Society-owned or sponsored sanctuaries and other real property and any equipment and appurtenances thereto. Education Committee: An Education Advisory Committee consisting of three or more members of the Society shall consider issues important to the conduct of the Society's educational programs and recommend to the Board for its approval policies that may affect educational programming throughout the Society. Conservation Science Committee: A Conservation Science Committee consisting of three or more members of the Society shall consider issues important to the Conservation Department, including priorities for action, communications strategies, recruiting volunteers, and safeguarding the intellectual independence of the Society's research and analysis. Additionally, the power to alter, amend or repeal the Organization's By-Laws or to adopt new By-Laws, shall be vested in the Board of Trustees, but is subject to repeal or change by 2/3 majority action of the Members.
Form 990, Part VI, Section B, line 11b	The Treasurer of the Board of Trustees and the finance committee review the Form 990 and required schedules prior to submission to the IRS. The full Board of Directors may not receive a Complete Copy of the Form 990 (including donor information) prior to its filing, though they are welcome to ask questions regarding the return as they consider the Organization's finances, operations, and tax obligations.
Form 990, Part VI, Section B,	Conflict of interest disclosures are distributed to board members annually in October following our September annual meeting. Should a conflict of interest arise, the board is notified and that board member is restricted from discussion and voting on the issue.

Return Reference	Explanation
line 12c	
Form 990, Part VI, Section B, line 15	Executive compensation is reviewed by subcommittee of the Board of Directors and takes into account comparable data with other local organizations and accomplishment of goals. For any other officers or key employees of the organization, the same process will be followed.
Form 990, Part VI, Section C, line 19	All documents subject to public disclosure requirements are made available to the public upon request.
Form 990, Part XII, Line 2c:	The audit process has not changed from the prior year.
Form 990, Part IX, Benefits Paid to Members:	The Society established a pooled income fund in March 1993. Contributions to the fund are measured at the fair value of the assets to be received, discounted for the estimated time period until the donor's death using discount rates between 4.2% and 9.4%. Until a donor's death, the donor or designated beneficiary is paid the income (as defined under the arrangement) earned on the donor's assigned units. Upon the donor's death, the value of the units reverts to the Society. Amortization of the discount is recognized as a change in value of split-interest agreements in net assets with donor restriction in the statement of activities and change in net assets. The Society has entered into charitable gift annuity agreements whereby donors (or designated beneficiaries) receive payments for the remainder of their lives. The liability for these split-interest agreements is determined based on actuarial assumptions using discount rates between 4.0% and 7.4%. The amount of the contribution recorded by the Society is the fair value of assets received less the present value of the estimated annuity payments. Valuation changes in the annuity liability are reflected as changes in net assets with donor restriction in the statement of activities and changes in net assets.
