Entering housing is an important step in the journey out of homelessness, but not enough to solve the problem. Nationwide half of those who enter housing return to shelters within the year. Humble Design ends the revolving door of homelessness by creating homes where families can find peace, strength, and hope. We are the conduit for the community to donate their gently used household furnishings, and decor items directly to someone who will benefit from it the most. In 2023, across our five locations, we served over 1,350 people who had secured housing after dealing with homelessness. We turned 475 empty houses/apartments into personal, welcoming spaces. Over ninety percent of families and individuals are still housed one year later.
