Return Reference	Explanation
Form 990, Part I, Line 10	Form 990, Part I, Line 10 - Corrective note. For tax years 2019-2022 inclusive, the organization reported the total of unrealized gains (or losses, as appropriate) for its investments on this line. These totals included the actual income received from dividends and interest, but did not show that figure solely on this line. Beginning with this 990 filing, the error is corrected, and only the actual income received from dividends and interest is shown on this line. Because the effect of the error is to understate the amount of public support the organization receives, the past errors do not change the organization's affirmative public-support status calculations for tax years 2019-2022. This note also applies to Form 990, Part VIII, Line 3; and to Schedule A, Part II, Line 8, where the corrected totals for 2019-2022 are entered.
