Return Reference	Explanation
Other	Part IX - The organization shares staff, facilities, and some overhead expenses with another tax-exempt organization. Most of the expenses are paid by this organization and are reimbursed by the other for its share of expenses based on time spent on projects or other reasonable method. This organization paid and reported the total of salary/wages of the shared staff under its Federal ID number. The expenses in Part IX are only the organizations remaining portion of the shared expenses.
Other	Pt.VII, col.D - The amount of compensation represents the total paid to the executive director for 2023 and included on the W-2 for 2023 filed using this Federal ID number. As noted above, this expense was shared with another organization. Only this organizations portion of expense was reported on Pt.IX, line 5.
Pt VI, Line 11b	The 990 draft was emailed to board members with a request that each member respond during a comment period with either an approval or with additions/corrections. Responses, if any, were then summarized and any changes forwarded to the tax preparer for inclusion in the final return.
Pt VI, Line 12c	Each board member and the executive director sign the conflict of interest form annually. If any potential conflict should arise, the individuals are required to report and discuss the issue.
Pt VI, Line 15a	Board members reviewed compensation of executive directors of not-for-profits in the metropolitan area with similar annual revenues and personnel to determine that compensation was reasonable and comparable.
Pt VI, Line 15b	The executive director determined through discussions with other E.D.s and community members that the compensation for staff was reasonable and comparable.
Other	Pt.XII, line 2a - Although the organization does not obtain compiled or audited statements, it contracts with a CPA who reviews the transactions quarterly and is available for consultation as needed. She provides preparation engagement statements which are similar to compiled statements. Due to the small number of board members, all are involved in reviewing the financial statements and 990 and monitoring the overall financial affairs of the organization.
Pt VI, Line 19	The governing documents and 990s are available to the public on request and the 990s are on Guidestar/Candid.
Other	Pt.I, line 5 and Pt.V, question 2a - The organization shares personnel and overhead costs with Abortion Action Missouri Foundation (AAMF) as noted above. The total number of W-2s issued by Abortion Action Missouri for 2023 was 26 - twelve employees provided services to both organizations and 14 were provided services to AAMF only. The number 4 in these boxes represents the estimated FTEs of staff time spent on this organizations activities.
Other	Pt. VIII, line 8c - More often than not, there is a loss on line 8c since the fair market value of tickets and other event revenue (silent auctions, fund the need, etc.) is less than the event costs. Expenses for postage and printing of invitations, program printing, and other costs are not part of the FMV of the ticket price so become expenses not offset by revenue on line 8c. If you include the contributions received for the event on line 1c, the contributions (sponsorships, ticket prices in excess of FMV of the value received, etc.), FMV of tickets, and other revenue totaled \$113,505. The total revenue less expenses resulted in actual net income from the event of \$58,165. Contributions must be separated from FMV of ticket costs per instructions.
Other	The name of the organization was changed effective July 10, 2023 from NARAL Pro-Choice Missouri to ABORTION ACTION MISSOURI. The Secretary of State documents about the name change were attached to the 2022 form 990 - filed for the short-year April 1 - December 31, 2022.
Pt VI, Line 4	The organization approved new bylaws 6/16/23 which are attached to this 990 as a pdf.
Pt VI, Line 6	Membership is open to any person, firm, or corporation who supports the Organizations mission and vision. Dues, either monetary or by some action within the last twelve months, are set by the Board of Directors. Membership is terminated if dues are not paid within fourteen months after the last dues payment.
Pt VI, Line 7a	Persons who are members in good standing are eligible to vote on matters presented and are eligible to be a director or officer. The Board of Directors is elected at the annual meeting by members in good standing.
Pt VI, Line 7b	The property, business and affairs of the Organization shall be the responsibility of the Board of Directors, and all lawful powers of the Organization shall be vested in and exercised by the Board.
Other	Pt. 3, line 4a - In 2023, Pro-Choice Missouri completed our two-year long rebrand process to become Abortion Action Missouri, a name and brand built by Missourians, for Missourians. Over the past 10 years, Abortion Action Missouri has advocated about matters regarding contraceptive access, access to emergency contraception in emergency rooms, access to Title X family planning services, the harm of anti-abortion fake clinics - AKA crisis pregnancy centers, the landscape of sex education in Missouri, and a host of other topics related to reproductive health and rights. In 2023, the organization continued to expand while meeting the needs of a tumultuous nationwide climate for abortion rights. With the fall of Roe v Wade in June 2022, Missouri became the first to implement an abortin ban. Abortion Action Missouri played a critical role in activating a statewide base of more than 50,000 members to rally against this ban and take critical steps towards building a new path forward. Abortion Action Missouri hosted or participated in 63 total events in 2023 educating more than 1,700 Missourians on issues of reproductive health, rights, and justice. Abortion Action Missouri had a thriving field team in 2023, knocking on more than 7,500 doors, and talking to thousands of supporters about why its important to have elected leaders who will commit to fighting for reproductive freedom in the Missouri state legislature, and helping to support endorsed reproductive freedom champions in municipalities across the state. The field team, volunteers, and thousands of supporters organized against dozens of threats to reproductive rights and health in the 2023 legislative session in Missouri, testifying 96 times in the state legislature. The organization helped to organize media campaigns and wrote op-ed pieces and editorials in support of every individuals right to decide if, when, how, and with whom to start or grow their family. The organization also provided briefing papers to the lawmakers, community leaders, and the public. The organization is committed to being an anti-racist organization supporting and lifting up the voices of all those most disproportionately impacted by the dangerous abortion ban now in place. With more than two dozen organizational allies, all working for the health and safety of Missouri women and families, we sought to protect individual rights and the rights of families, worked with faith-community allies, and organized against threats posed by the legislature, policymakers, and in the community generally.
