After completion of said returns, the organization is sent a draft of the tax returns to be reviewed and examined. The organization distributes copies of the returns to those individuals charged with governance. Those individuals at that time can review and if applicable discuss any line items in the return with the accountant who has prepared the return. If all items are found to be acceptable, an authorization is signed and provided to authorize the outside accounting firm to process, sign and provide copies of the returns to be filed (paper or electronically) with the designated governmental agencies. The tax returns are then signed by the organization, stamped and mailed with certified return receipt or the signed form 8879 is provided to the outside accounting firm allowing electronic filing.
