Environmental Education Nature Forwards educational mission is to nurture a lifetime of outdoor discovery, exploration and stewardship of nature for people in the Washington, DC metro region. The Organization connects with individuals and groups of all ages to create a community of people who actively care for the natural world. Through our children and youth programs we reach more than 14,000 children each year with classroom visits, school field trips, afterschool programs, a licensed preschool, and summer camps. Our GreenKids program partners with public schools in Montgomery and Prince Georges counties in Maryland, Loudon County in Virginia and the District of Columbia to foster a culture of environmental stewardship in schools and provide professional development to teachers. Our continuing education programs educate and train more than 2,000 adults annually in natural history and conservation topics. Our outreach programs work to reach families in their communities near where people live, work, and go to school and connect them to nearby nature through engaging, hands-on activities and trainings. We work with community leaders, partner organizations, and empowered community members.

4b (Code:) (Expenses \$ 1,051,502 including grants of \$ 973) (Revenue \$)

The Organization provides free public access to our sanctuaries and invites people to enjoy our trails, including a new wheelchair accessible trail at Woodend. The sanctuaries protect critical wildlife habitats in the DC metro region and provide opportunities for people to discover and appreciate the natural world through self-guided and naturalist-led experiences. The sanctuaries educate people of all ages and abilities about environmental stewardship, serve as gathering places for environmental classes and provide a hub for organizations working to preserve the quality of the environment in the Washington, DC area. The Organizations conservation outreach brings community members together to collect data on local flora, fauna and stream health and then uses that data to advocate for preservation of our regions special natural places. Each year we train and mobilize thousands of people to take action as monitors, stewards and advocates of our precious environment. Through our advocacy Action Network, more than 6,000 people learn about and take grassroots action with the Organization annually to protect nature in the DC region.

Footnote for uncertain tax position under FIN 48 (Part X)	The Organization follows the Financial Accounting Standards Board Accounting Standards Codification, which provides guidance on accounting for uncertainty in income taxes recognized in the Organizations financial statements, if any. As of the current year end, the Organization had no unrecognized tax benefits related to uncertain tax positions in its information return that would qualify for either recognition or disclosure in its financial statements. The Organizations policy would be to recognize interest and penalties on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. Through the fiscal year end, there have been no matters that would have resulted in an accrual for interest and/or penalties. Generally, only the three preceding tax years are subject to examination by federal, state, or local taxing authorities.
