Sch I Part I line 2	<p>The goal of the grants reported in Part III of this schedule are to 1) Increase awareness, interest, knowledge, motivation, aptitude, and confidence among prioritized individuals in pursuing STEAM careers; 2) Program participants acquire in-demand STEAM-specific human and social capital; 3) Secure job placements with at least 40% of participants; 4) 90-day job retention with at least 50% of participants; and 5) Establish deeper relationships with industry partners and cultivate STEAM employer advocates to advance work-based-learning (WBL) and more inclusive hiring of prioritized populations. UNITE-LA's approach addresses challenges on the demand and supply sides of the labor market to better understand and address disparities/barriers to hiring and retaining prioritized populations. UNITE-LA's strategy for improving demand-side conditions for greater inclusion of populations with career barriers includes one-on-one conversations, focus groups, interviews, surveys, and employer accelerator programs that help employers assess their DEI practices and policies and establish actionable plans for more inclusive and equitable reforms. Employers will ascertain findings from these experiences by participating in WBLs and getting proximate to project participants. UNITE-LA's strategy for increasing employment opportunities for prioritized populations includes working across CBOs, certificate and degree programs, and employers to develop career pathway programming that includes contextualized curricula, a continuum of project/WBL experiences, soft skills development, mentoring, peer-to-peer support, wraparound support, and job placement conducive to the unique circumstances and talents of Opportunity Youth (OY), System-Involved Individuals (SIIs), and economically disadvantaged young people. In addition to sourcing talent, the WDB will work with partnering AJCCs to ensure project participants are connected to appropriate wraparound services to ensure pathway completion.</p>
