What is the organization's primary exempt purpose?  
 Our mission is to empower artisan women in Kenya make a living using skills handed down through generations in weaving, basketry, beading, art and more. We provide women with resources to create, buy the end product to give them an income and use the revenue to fund women empowerment programs and menstrual hygiene kits to help girls stay in school consistently.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.

**28** Economic Empowerment, Female entrepreneurship, poverty eradication. Our primary mission is to empower artisan women make a sustainable living using skills handed down through generations. In the 2022 fiscal year we worked with different groups in Nairobi, Maasai Mara, Kitui and Narok to provide resources to create such as beads and leather. Purchased the end product to give them a sustainable living. These included, accessories, ornaments, baskets, decor, bags and art.

(Grants \$ 0) If this amount includes foreign grants, check here

**29** Menstrual hygiene, reproductive health, education. Provided menstrual hygiene kits including sanitary pads and underwear to the girls in the artisan villages. The team included reproductive health education to teach girls about the changes happening to their bodies and attempt to break the shame and taboo associated with menstruation. Program service expenses includes transportation, gift bags, sanitary pads, underwear, t-shirts, lodging. Some expenses were covered in the first service accomplishment.

(Grants \$ 0) If this amount includes foreign grants, check here

**30** Food, water and nutrition. This is a complimentary service accomplishment. While our primary objective is to empower women through skills handed down through generations and our secondary objective is to help the girls stay in school by eliminating the hurdle brought on by period poverty, food helps create a rapport. The women in rural areas need the food and appreciate the help. The main objective is to build trust and a relationship by breaking bread and creating an atmosphere for open conversation. It helps our team understand the women and how we can best serve their needs. Program service expenses are covered under the first two.
