Return Reference	Explanation
Form 990, Part VI, Section B, Line 11b	The draft 990 is initially reviewed by the Executive Director and Operations Lead and then shared with the board for final approval before filing with the IRS.
Form 990, Part VI, Section B, Line 12c	Annually officers, directors, trustees, and key employees are required to re-sign the conflict of interest agreement and disclose interests that could give rise to conflicts. The Operations Lead oversees this process annually to ensure completion.
Form 990, Part VI, Section B, Line 15a	Executive Director compensation is determined annually by the Board based on a combination of comparability data and a review of Executive Director performance. While he helps provide context around the organizations salary structure, the Executive Director recuses himself from any Board deliberation or approval of his salary.
Form 990, Part VI, Section B, Line 15b	Compensation for high-level employees is based on a level-based system used throughout the organization, by which a base salary is determined for each of several levels, and a level for each employee is determined at the time of hiring and only changed through promotions as part of a biannual performance review process. No salary levels are higher than the Executive Directors salary, so the process for determining the Executive Directors salary effectively bounds salaries for high-level employees.
Form 990, Part VI, Section C, Line 19	Available upon request.
