Form 990, Part III, Line 4a continued	Our services are crucial because research has shown effective cancer care requires the integration of psychological and social services, like what CSCAZ provides, with medical treatment to address issues associated with a cancer diagnosis and prognosis. A failure to provide supportive care to cancer patients and their loved ones can result in additional suffering, reduced adherence to physician prescribed care, and a delayed return to best health status. Pairing supportive services with medical treatment, however, can improve recovery, increase resilience, and enhance long term survivorship. Therefore, CSCAZ provides these no cost programs and support to vulnerable individuals, families, and caregivers throughout their cancer journey. Unfortunately, these life saving services are not reimbursable by insurance, which is why we rely on generous donations from our community to fund our programs.
Form 990, Part III, Line 4a continued	Without our free services, patients are on their own to find, and pay for, the social and emotional support they need to have the best possible cancer outcomes. CSCAZ offers around 100 bilingual ,English and Spanish programs each month, including healthy lifestyle classes, nutrition education, support groups and 1 on 1 counseling with licensed mental health professionals, expressive arts, youth & family programming, and fun events designed to build life giving community. Additionally, we provide individualized services to address social determinants of health and overcome barriers to care.
Form 990, Part III, Line 4a continued	Through our Resource Navigation program, we help patients and families access resources such as financial, transportation, food, and lodging assistance, and offer free wigs to individuals who are losing their hair due to treatment. It can be overwhelming for Arizonans to navigate the cancer landscape, so CSCAZ helps ease the worry and burden of the cancer experience. In 2023, we served 1,865 individuals directly through our programs, and helped over 3,861 families access resources to overcome barriers to care. Considering our services help the whole family, last year we impacted over 7,500 Arizonans by making sure no one faces cancer alone.
Form 990, Part IV, Section B, Line 11b	The Treasurer of the organization distributes a copy of the 990 to all board members and the audit committee for review and approval prior to filing.
Form 990, Part VI, Section B, Line 12c	At each board and committee meeting, if there is a discussion of selecting or engaging a vendor or service provider, all in attendance are asked to recuse themselves from the discussion if there could be a perceived conflict. Annually, the organization reviews and discusses the conflict of interest policy and requests that each board members list and acknowledge any known conflicts.
Form 990, Part VI, Section B, Lines 15a and 15b	The executive committee reviews the compensation for all officers and key employees by comparing their compensation to the individuals in similar positions within the industry using data collected from Form 990s, compensation studies, and other available data. The committee approves any changes in compensation based on this information.
Form 990, Part VI, Section C, Line 19	The organizations provides, in a timely manner, copies of all governing documents, including conflict of interest policies and financial statements when requested in writing or in person.
