Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

Californians for Justice is a statewide grassroots organization working for racial justice by building the power of youth, communities of color, immigrants, low-income families, and LGBTQ communities. Led by students, we organize to advance educational justice and improve our social, economic, and political conditions. Through year-round leadership development opportunities and intensive leadership programs, we empower the young people most affected by inequity to drive the process of change with their participation and ideas for a just society.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?

Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 7,148,288 including grants of \$ 1,109,698) (Revenue \$ 1,643,540)

Community Schools Summit (work with STAC) In June 2023, CFJ formed part of the planning and host committee of the first ever Community Schools Summit held in California. Through our Capacity Building Team, CFJ forms part of the State Transformational Assistance Center (STAC) which is meant to accelerate efforts across the state to reimagine community schools in ways that are aligned with the California Community Schools Partnership Program Framework (CCSPP). Over 1000 CA education leaders attended the single day event from all different regions and districts. Our Capacity Building Team made sure to center youth voices by creating a Youth Advocacy Board with students from across all of our regions that participated in planning. Additionally, we had some staff and youth organizers who created and facilitated workshops during the day. The highlight of the event was our Youth and Parent Panel which closed out the event with six of our youth leaders and two parents from the community.

4b (Code:) (Expenses \$ including grants of \$) (Revenue \$)

Fall Base Building Drive In September we launched our Fall Base Building Drive across our four regions (San Jose, Oakland, Fresno, Long Beach), a special occurrence for 2023 since we have not had the opportunity to do this in-person since 2020. Lasting until October, our youth leaders and organizing teams reached over 1k youth across the state! Our students led: 48 Classroom Presentations: key building tactics that leverage our Power of Relationships Strategy by partnering with adult allies (educators and administrators) at our school chapter sites. 16 Tabling Events: events that leverage our Power of Moral Authority by having members share their personal stories to recruit new members

4c (Code:) (Expenses \$ including grants of \$) (Revenue \$)

Base Building and Leadership Development Our Working To Amplify Youth Voices (WAVY) Program was the first program of the 2023/2024 academic year (December 2023) with over 59 students joining in total for Fresno, Oakland, San Jose, and Long Beach. Of those that attended, 33% stated that they joined because an active CFJ intern or organizer invited them, giving a real time perspective of the impact of our youth leadership. As this is the first event/retreat for the school year, it is an indicator of what the school year will look like. Of all statewide participants, over 93% claimed that the likelihood of them continuing to be involved in CFJs programming was Very High.

Form 990, Part III, Line 4d	OTHER PROGRAM SERVICES 4: LB Professional Learning Networks (PLNs)We began our Professional Learning Networks (PLNs) with the Long Beach Unified School District in the 2021-22 school year, and are now in our third year of implementation. Through the PLNs, five high schools (Wilson, Cabrillo, Poly Tech, Lakewood, Jordan) created unique design teams, made up of administrators, teachers, students and parents, with students at the center to set out on this equity journey with us. OTHER PROGRAM SERVICES 5: Through building trusting relationships with schools, administrators, educators, and students, we were able to see the following moves by 2023: Poly High School design team members conducted a Truth Campaign on campus. Students conducted peer-to-peer interviews where they asked students what they would want their teachers and staff to know about their experience at school. They then compiled the learnings and shared that back out with the Instructional Leadership Team in the form of specific recommendations. Jordan High School students led classroom observations and gave feedback and recommendations for classroom instruction and pedagogy. Lakewood hosted a school-wide cultural fair with community members and culturally responsive resources. Cabrillo started a student-led podcast to expand their reach on campus. Wilson put on three 1-hour student-led professional development opportunities for all teachers focused on Relationship Centered Schools. OTHER PROGRAM SERVICES 6: PartnershipsIn late January 2023, the California Partnership for the Future of Learning (CA-PFL) identified the preliminary structure of the Community Schools toolkit with the launch of a series of Unity Calls with the Community Schools Workgroup and Anchor team members, which provided the groundwork to begin drafting the outline of the toolkit. Provide background on how the \$4.1 billion investment in community schools was won through organizing led by students, families, and community in partnership with educators. Realizing the vision for community schools will depend on continuing to live into authentic partnership grounded in shared power and decision-making at the school, district, and state levels. Share examples of how students, families, and communities organize to transform schools in their neighborhoods. Support students, families, and community members as leaders and experts in co-creating and sustaining relationship-centered community schools in partnership with educators at the school and district levels.
