Statement of Program Service Accomplishments

1 Briefly describe the organization’s mission:

Interfaith Power & Light (IPL) inspires and mobilizes people of faith and conscience to take bold and just action on climate change.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

☒No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?

Yes

☒No

If "Yes," describe these changes on Schedule O.

4 Describe the organization’s program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 1,974,561 including grants of \$ 377,600) (Revenue \$ 22,565)

National program expenditures funded educational campaigns on climate and creation care, organizational support for affiliates, and policy advocacy for clean energy and climate solutions. A few highlights were: our national conference held in person again in Washington, DC, which brought 70 state and national IPL leaders together to share best practices and build community; Faith Climate Action Week which supported over 1,500 congregations to hold worship services or other activities focused on climate , as well as garden planting ; the Cool Congregations Challenge to inspire and recognize outstanding efforts to green houses of worship and build sustainable communities; and a nonpartisan faith voter mobilization campaign. In 2022 IPL earned hundreds of news media mentions and hundreds of social media posts, generating millions of impressions. IPL and our affiliates regularly communicated with more than 100,000 supporters and reached more than 22,000 congregations. In addition, our staff and board leaders addressed dozens of faith community gatherings held around the country. Another significant program expense was support grants for state affiliates. State IPLs engaged congregations in their states in climate solutions, broadcast the call for a faithful response to climate change, advocated for clean energy, and sponsored voter education and mobilization campaigns. California Interfaith Power & Light (CIPL) educated its 720+ member congregations about global warming and advocated for equitable and effective climate policies at the state level. Highlights of the year included equipping several congregations in the Bay Area to become climate resiliency hubs to support their communities in times of emergency such as extreme heat or wildfire smoke. CIPL also promoted renewable energy and energy conservation. We supported congregations in lower income areas in accessing EV rebates and incentives. We advocated for policies at the state and local level to reduce pollution and advance environmental justice, including a state policy to phase out gas-powered cars by 2035.
