Return Reference	Explanation
FORM 990, SCHEDULE D, PART X, LINE 2 FIN 48	The Center is a not-for-profit organization exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code and is not a "private foundation" within the meaning of Section 509(a). Donors of money or property, or both, are entitled to the maximum charitable contribution deduction allowed by law. Since the Center is exempt from federal and state income tax liability, no provision is made for current or deferred income taxes. The Organization uses the same accounting methods for tax and financial reporting. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. Management is not aware of any tax positions that would have a significant impact on its financial position. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years after they are filed. The open years are: 2022, 2021 and 2020.
