Management has evaluated the income tax positions taken and concluded that as of December 31, 2024 there are no uncertain positions taken or expected to be taken that would require recognition in the consolidated financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these consolidated financial statements. Should such penalties and interest be incurred, the Foundation's policy is to recognize them as general and administrative expenses on the consolidated statements of activities and changes in net assets.
