Return Reference	Explanation
Part X : FIN48 Footnote	The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and comparable state law. The most significant tax positions of the Organization are its assertions that it is exempt from income taxes and its determination that no amounts are subject to unrelated business income tax (UBIT). Income generated by activities that would be considered unrelated to the Organization's mission would be subject to income tax. In accordance with ASC Topic 740 Accounting for Uncertainty in Income Taxes, the Organization has evaluated its tax positions. A tax position is recognized as a benefit only if it is more likely than not that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that has a likelihood of being realized on examination of more than fifty percent. For tax positions not meeting the more likely than not test, no tax benefit is recorded. Under the more likely than not threshold guidelines, the Organization believes no significant uncertain tax positions exist, either individually or in the aggregate, that would give rise to the non-recognition of an existing tax benefit. In addition, the Organization had no material unrecognized tax benefits or accrued interest and penalties. The Organization's policy is to account for interest and penalties related to unrecognized tax benefits as a component of income tax expense.
