Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

GRASP's mission is to help all students and their families, with a focus on financially disadvantaged households, by: giving inspiration and hope that their goals are attainable; assisting them with the financial aid process and awarding scholarships; and supporting them in the attainment of their post-secondary goals at the lowest possible cost. GRASP is the only organization in the regions we serve that is primarily focused on assisting students with the postsecondary financial aid process and scholarship searching for all students. Financial aid is critical to increasing college access and success and is most effective when students and families learn about it early enough to make informed choices and plans. GRASP fills a substantial gap in the college access and success pipeline and fulfills our mission to ensure that every student has an equal opportunity for continuing education after high school through a balanced continuum of services.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ **1,090,437** including grants of \$) (Revenue \$ **449,983**)

GRASP is a non-profit organization specializing with helping students and their families, regardless of financial resources, to develop an educational plan for post secondary education. GRASP's professional financial aid advisors work in high schools and private settings, without charge to students and families, to assist with overcoming financial and motivational challenges to the goal of higher education.

4b (Code:) (Expenses \$ **390,770** including grants of \$ **390,770**) (Revenue \$ **102,000**)

Unique among many college access and success programs, GRASP operates several scholarship programs, including at least one scholarship for every school it serves. Students have the option to use these scholarships for 2-year, 4-year, and trade schools.

4c (Code:) (Expenses \$ **247,401** including grants of \$ **247,401**) (Revenue \$ **376,338**)

GRASP anticipates continuing to take advantage of the Virginia Neighborhood Assistance Tax Credit Program ("NAP") and Education Improvement Scholarship Program ("EISP"). The NAP and EISP programs provide significant tax incentives to Virginia private and business donors who support scholarships and other tuition assistance programs of (1) students and families of low to modest financial means and (2) provide scholastic assistance in developing post - secondary academic and vocational plans for children with one or more disabilities as defined under the federal IDEA legislation. The NAP program requires that more than 50% of GRASP tax credit derived revenues are used for education services in support of students and families with income at or below 300% of the recognized poverty level of income or 400% of the recognized poverty level for students with disabilities. The EISP Program, a scholarship program for students in K-12 who wish to attend a private school, requires that at least 90% of tax credit generated revenues under this program be paid out in scholarships for students at or below 300% of poverty, or in the case of students with disabilities, 400% of poverty by the end of the following fiscal year end. The GRASP Board has directed that preference be given to scholarships for students with disabilities attending private schools with specialized disability services under the EISP Program.

(Code:) (Expenses \$ **99,339** including grants of \$ **62,000**) (Revenue \$ **99,339**)

In 2024, GRASP launched the Pathways Scholarship Program, a new 4-year pilot initiative designed to help Richmond, Virginia's youth overcome the barriers that too often prevent them from reaching their full potential. Many young people in Richmond face significant but surmountable challenges as they transition from high school to postsecondary education. To address these barriers, the Pathways program will offer opportunities to explore postsecondary options, educate youth regarding setting and achieving long-term goals, and support youth to apply for financial aid and community college. In addition, participants will receive a scholarship and a monthly stipend to cover basic living needs for up to three years while attending community college. This program is a critical resource for keeping Richmond Public School students at risk of dropping out engaged and supported. Initial funding from the City of Richmond ensures that the program will be sustainable throughout its four-year pilot phase.

4d Other program services (Describe in Schedule O.)

(Expenses \$ **99,339** including grants of \$ **62,000**) (Revenue \$ **99,339**)

Return Reference	Explanation
Form 990, Part III, line 2	In 2024, GRASP launched the Pathways Scholarship Program, a new 4-year pilot initiative designed to help Richmond, Virginia's youth overcome the barriers that too often prevent them from reaching their full potential. Many young people in Richmond face significant but surmountable challenges as they transition from high school to postsecondary education. To address these barriers, the Pathways program will offer opportunities to explore postsecondary options, educate youth regarding setting and achieving long-term goals, and support youth to apply for financial aid and community college. In addition, participants will receive a scholarship and a monthly stipend to cover basic living needs for up to three years while attending community college. This program is a critical resource for keeping Richmond Public School students at risk of dropping out engaged and supported. Initial funding from the City of Richmond ensures that the program will be sustainable throughout its four-year pilot phase.
Form 990, Part VI, Section B, line 11b	The final version Form 990 is e-mailed to the Chief Financial Officer who then e-mails the return to each voting Board member before the Form 990 is e-filed. The Form 990 is reviewed by the Chief Financial Officer, Treasurer, President and Audit Committee Chairwoman before the it is released for e-filing to the IRS, All board members will have also received the return and have access to the return before its filing.
Form 990, Part VI, Section B, line 12c	GRASP's Conflict of Interest Policy document identifies procedures for determining whether a conflict of interest exists, the disclosure of such, and actions to be taken by the board member and the governing board upon disclosure of such a conflict. GRASP has also documented its procedures for addressing the conflict of interest. GRASP has documented the procedures to be taken when it believes that a violation of its conflict of interest policy has occurred and procedures to be taken when violation has been deemed to have occurred. Annually, each board member, committee member and manager with board delegated powers shall sign a statement which affirms that such person has received a copy of the conflict of interest policy, has read and understands the policy, has agreed to comply with the policy and understands GRASP is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax exempt purposes. Outside advisors may be used by GRASP to assist its board with monitoring its compliance with its conflict of interest policy.
Form 990, Part VI, Section B, line 15a	Compensation of the Chief Executive Officer is subject to review and approval by the Executive Committee of the Board of Directors on an annual basis.
