The organization does have tax liability on unrelated business activity. The Organization follows FASB ASC 740 Income Taxes the authoritative guidance relating to accounting for uncertainty in income taxes. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entitys financial statements and prescribe a threshold of more likely than not for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The organization performed an evaluation of uncertain tax positions for the year ended December 31, 2024, and determined that there were no matters that would require recognition in the financial statements or which may have any affect on its tax exempt status. As of December 31, 2024, the statute of limitations for tax years 2021 through 2023 remains open with Federal and DC authorities.

Return Reference	Explanation
Pt VI, Line 11b	The Form 990 is shared with executive committee of the board of directors before it is filed.
Pt VI, Line 12c	All candidates on the Beyond Pesticides board of directors are required to sign a statement stating any possible conflicts of interest with the stated purposes of the operations of the organization. The Nominations Committee requires from the nominee information concerning all of the nominee's activities which may be relevant to the purposes of the organization. The Nominations committee makes this information available to members at the time of voting. Any material misrepresentation by the nominee results in the disqualification of the nominee to be elected to serve as a member of the Board of Directors. Any evidence of a conflict of interest, violation of the purpose, misrepresentation of the organization or evidence of fiduciary irresponsibility constitutes just cause for a board member to be removed from the board as provided in the organization's bylaws. This includes the executive director who serves as an ex officio member of the board and is hired and reviewed annually by the board. The Office Personnel Manual provides the executive director with emergency authority to sever from employment any employee whose conduct or activity immediately and substantially jeopardizes the ability of the organization to render effective service to its membership or undermine the purposes of the organization.
Pt VI, Line 7a	Beyond Pesticides holds an annual election to 1/3 of its board of directors. A nominations committee of the board of directors puts together a slate, collecting nominations from the board and membership. A ballot is distributed to the membership annually with candidates and an opportunity for a write-in.
Pt VI, Line 15a	The organization conducts a thorough review of similar organizations by evaluating information available through Guidestar to determine comparability information. A review committee conducts the review and brings the information to the board of directors for a discussion and vote of the board in executive session.
Pt VI, Line 19	Currently all Beyond Pesticides policies and financial information are made available to those who request it.
