Under the Code, however, income from certain activities not related to the organizations tax-exempt purpose may be subject to taxation as unrelated business income. The organization had no income from unrelated business activities in 2024 and was, therefore, not required to file Federal Form 990-T (Exempt Organization Business Income Tax Return). The organization believes that it has appropriate support for all tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.
