In 2024, the Society of Senior Ford Fellows (SSFF) entered its fourth full year of incorporation following official incorporation in spring of 2020. In 2024, the SSFF focused program services on members services including further development of a web-based, public facing membership directory and growth of the membership base. SSFF income in 2024 was based on a membership campaign and associated member donations and on a general grant received from the Ford Foundation. The SSFF had 347 active members at the end of the calendar year. A 'general support' grant from Ford Foundation was submitted in the summer of 2022 and funded for a period of 5 years. We held several professional development conferences and board retreats. We held our second in-person members meeting in June of 2024 at the University of California District of Columbia (UCDC) site. We held our fourth virtual members conference in October of 2024. The virtual conference provided scholarly presentations with a keynote address by Dr. Lorrie Frasure (UCLA) as well as breakout sessions by region to brainstorm future SSFF events. These conferences are free. Financial support for member participants in the in-person conference were provided. In 2024, the SSFF also continued to build infrastructure. The infrastructure developed in 2024 included expansion of the SSFF web-presence and member-to-member communication tools. The directory has been used by academic institutions and the press to identify scholars for panels and articles. It is also used by members and students to identify potential mentors. The SSFF additionally contracted services to develop the website further. The SSFF also developed officer and board member handbooks and protocols.
