The City of LA will phase out oil drilling. Frontline communities win! This ordinance is a victory by & for frontline communities, for environmental justice, for cleaner air & our climate, and for the entire City's health. The win to phase out oil wells was historic, and proof that with solidarity, we can fight systemic racism embedded in our City's laws.L.A city council members unanimously approved an ordinance that will require all new buildings in the city to be fully electric, effective in January. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by SCOPE in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. SCOPE's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.
