Return Reference	Explanation
Part X : FIN48 Footnote	The Organization is a not-for-profit organization that is exempt from Federal and State income taxes under Internal Revenue Code Section 501(c)(3) and is classified as a publicly supported organization as described in Section 509(a). The Organization accounts for uncertainty in income tax positions in the financial statements by applying a recognition threshold and measurement attribute for financial statement recognition and measure of a tax position take or expected to be taken in a tax return. Management has analyzed the tax positions taken and has concluded that as of June 30, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. If the Organization were to incur an income tax liability in the future, the interest on any tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income taxes. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress. The Organizations Forms 990 for the years ending June 30, 2022-2025 are subject to examination.
