1 Briefly describe the organization's mission:

Our mission is to empower one life at a time to REACH, TRANSFORM and ELEVATE their community through love and building character. For us, Higher Ground is more than just a place, but rather, it's a culture-infusing catalyst that aims to create system-wide change, building up our high-need communities - one child and family at a time - and creating collaborative networks of support that ultimately uplift our entire city. Our vision is to inspire youth and families to be part of lasting community contribution. We want to create the momentum for lasting sustainable change in the way we develop our children and youth to redefine success as community contribution, where schools and youth organizations become places where an individual transformation leads to stronger collective impact in their own communities.

	The Restart S.M.A.R.T. strategy, a local implementation of the community school model by Higher Ground, effectively organizes school and public resources to address specific community needs. By integrating trained staff within the school community, we provide a crucial link between community services and families facing opportunity gaps. Our collaborative approach, partnering with students, their families, and the wider community, promotes individualized success. Restart S.M.A.R.T. emphasizes evidence-based, strategic, mindful, agile, aware, resilient, and trauma-responsive decision-making in every interaction. In the year 2021-2022, we have expanded from 2 to 7 school sites across Tucson, with discussions for an 8th site in Chandler, Arizona. Our work is acknowledged as a full-fidelity implementation model of the community school strategy, with research partnerships demonstrating outcomes beyond mere attendance improvement and negative behavior reduction. In the 2021-2022 academic year, we engaged 2,083 students, collaborated with 124 groups, businesses, and organizations, worked with 300 families, and leveraged resources across our seven school communities. Our impact is evident through a 10% increase in school enrollment, a 6.11% reduction in chronic absenteeism, a 75% improvement in attendance among served students, and up to an 80% reduction in disciplinary incidents at our school sites.
