Part I, Line 2:	Our grantmaking work is deeply rooted in building trust with our movement partners. The partnership between Solidaire and its grantee partners is assessed through learning and accountability. We monitor grants through check-ins and annual interviews with grantees to understand recipients' own due diligence and compliance processes for ensuring they are abiding by U.S. laws. Check-ins and annual interviews are designed to monitor and ensure grantees are using resources exclusively for charitable purposes and not diverted to any improper or illegal purpose. Per our agreement, grantees are required to report any significant organization changes through the duration of the grant. Additional monitoring steps may vary depending on Solidaire's prior knowledge and past experience with the potential recipient.
