INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Benevolent Healthcare Foundation dba Project C.U.R.E.
Centennial, Colorado

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of Benevolent Healthcare Foundation dba Project C.U.R.E. (the "Organization"), which are comprised of the consolidated statement of financial position as of May 31, 2016, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Benevolent Healthcare Foundation dba Project C.U.R.E. as of May 31, 2016, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

REPORT ON SUMMARIZED COMPARATIVE INFORMATION

We have previously audited the Organization's 2015 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated December 2, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended May 31, 2015, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

OTHER MATTER

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2016, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Supplemental disclosure of cash flow information:

Interest paid was \$322,923 and \$603,765 for the years ended May 31, 2016 and 2015, respectively.

During the year ended May 31, 2015, the Organization redeemed bonds in the amount of \$6,826,121 with the issuance of a \$6,800,000 note payable. The remaining balance of \$26,121 on the bonds was settled in cash and is included in payments of long-term debt in the statement above.

See notes to consolidated financial statements.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies

Organization

Benevolent Healthcare Foundation dba Project C.U.R.E. ("Project C.U.R.E."), Centennial, Colorado, was formed and organized as a non-profit organization in Colorado during 2000. Project C.U.R.E. was formed in 1987 and operated under the Benevolent Brotherhood Foundation until June 2001. At that time, the assets of Project C.U.R.E. were transferred into the Benevolent Healthcare Foundation. Project C.U.R.E. is the sole member of two Colorado limited liability companies, Benevolent Healthcare Foundation of Denver, LLC ("BHFD") and Benevolent Healthcare Foundation of Nashville, LLC ("BHFN").

The accompanying consolidated financial statements include the accounts of Project C.U.R.E., BHFD, and BHFN (collectively, the "Organization").

The Organization currently provides medical equipment and supplies to over 120 countries throughout the world. At May 31, 2016, the Organization either owned or leased warehouses in Colorado, Florida, Illinois, New York, Pennsylvania, Tennessee, and Texas. Additionally, the Organization utilized donated warehouse space in Arizona, Colorado, Florida, Kansas, Michigan, and Pennsylvania.

Comparative Financial Information

The consolidated financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a complete presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended May 31, 2015, from which the summarized information was derived.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted amounts are assets currently available at the discretion of the Board of Directors for use in the Organization's operations and those resources invested in property and equipment.

Temporarily restricted amounts are assets restricted by donors specifically for certain time periods, purposes, or programs.

Permanently restricted amounts are assets that must be maintained permanently by the Organization as required by the donors, but the Organization is permitted to use or expend part or all of any income derived from those assets. As of May 31, 2016, the Organization had no permanently restricted assets.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable consist primarily of amounts due under various government grants and contracts. The provision for uncollectible amounts is continually reviewed and adjusted to maintain the allowance at a level considered adequate to cover future losses. The allowance is management's best estimate of uncollectible amounts and is determined based on historical collections that are tracked by the Organization on an ongoing basis. Management has reviewed accounts receivable as of May 31, 2016 and determined that an allowance is not necessary.

Investments

The Organization reports investments in equity securities with readily determinable fair values and all investments in debt securities at their fair values with unrealized gains and losses included in the consolidated statement of activities.

Certificates of deposit are reported at amortized cost.

Inventory

Inventory substantially consists of donated medical supplies that will no longer be used, nor sold, for medical purposes in the United States of America and retired medical equipment. The inventory has been valued at wholesale prices obtained from various internet retailer sources that specialize in reselling used medical supplies and equipment. All of the inventory on hand is held exclusively for shipment to developing countries at no charge to them.

Property Held for Sale

The Organization had vacant land in Nashville held for sale that was sold during the current fiscal year. As a result of the sale, the Organization recognized a gain of \$204,500 during the year ended May 31, 2016.

Property and Equipment

The Organization capitalizes all property and equipment with a cost or contributed fair value of \$2,500 or greater. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets, ranging from three to ten years for equipment and thirty years for buildings.

Debt Issuance Costs

Fees incurred for debt financing are amortized over the term of the related debt instrument. Accumulated amortization as of May 31, 2016 and 2015 totaled \$7,434 and \$2,336, respectively.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Contributions

The Organization records contributions as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

Donor-restricted contributions whose restrictions are met in the same reporting periods are reported as unrestricted support in the consolidated statement of activities.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when donated or acquired long-lived assets are placed in service.

In-Kind Contributions

Donated materials, consisting of medical equipment and supplies, are recorded at their fair value as in-kind contributions on the date received and program services expenses on the date delivered in the consolidated statement of activities.

Donated Services

Amounts are recognized in the consolidated financial statements for voluntary donations of services when those services create or enhance non-financial assets or require specialized skills provided by individuals possessing those skills and would typically be purchased if not provided by donation. Many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs. However, no amounts have been reflected in the consolidated financial statements for these donated services because they do not meet the criteria for recognition.

Revenue Recognition

Revenue from government grants is recognized in the period in which the related services are rendered and expenses incurred.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Concentrations of Credit Risk

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash, investments, and receivables. The Organization places its cash and investments with creditworthy, high-quality financial institutions as determined by management. A significant portion of the funds are not insured by the FDIC. The majority of accounts receivable are due from U.S. governmental agencies.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

Expenses incurred directly for a program service are charged to such service. Allocations of salaries, benefits, and certain overhead costs are allocated to services on a pro rata basis of employees' time devoted to each service.

Income Taxes

The Organization is a non-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code") and is classified as a publicly supported organization under Section 509(a)(1) of the Code. Accordingly, no provision for income taxes is made for federal, state, or local taxes.

The Organization applies a more-likely-than-not measurement methodology to reflect the consolidated financial statement impact of uncertain tax positions taken or expected to be taken in a tax return. After evaluating the tax positions taken, none are considered to be uncertain; therefore, no amounts have been recognized as of May 31, 2016 and 2015. If incurred, interest and penalties associated with tax positions are recorded in the period assessed as management and general expenses. No interest or penalties have been assessed as of May 31, 2016 and 2015.

Subsequent Events

The Organization has evaluated all subsequent events through the auditors' report date, which is the date the consolidated financial statements were available for issuance, noting none requiring disclosure.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 2 - Investments

Investments are stated at their fair values and consist of the following:

	May 31,	
	2016	2015
Stock	\$ 12,011	\$ 5,190
Mutual funds	-	103,970
Certificates of deposits	-	307,540
Total	<u>\$ 12,011</u>	<u>\$ 416,700</u>

Investment (loss) income consists of the following:

	For the Years Ended May 31,	
	2016	2015
Interest and dividend income	\$ 3,256	\$ 6,570
Net realized and unrealized losses	(3,758)	(107)
Investment fees	<u>(309)</u>	<u>(1,162)</u>
Total investment (loss) income	<u>\$ (811)</u>	<u>\$ 5,301</u>

Note 3 - Fair Value Measurements

The Organization has adopted the Financial Accounting Standards Board's guidance surrounding fair value measurements, which establishes a framework for measuring fair value and requires enhanced disclosures about fair value measurements. This guidance clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. This guidance also requires disclosure about how fair value is determined for assets and liabilities and establishes a hierarchy for which these assets and liabilities must be grouped based on significant levels of inputs as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities;
- Level 2: Quoted prices in active markets for similar assets and liabilities and inputs that are observable for the asset or liability; or
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The determination of where assets and liabilities fall within this hierarchy is based upon the lowest level of input that is significant to the fair value measurement. These classifications (Levels 1, 2, or 3) are intended to reflect the observability of inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 3 - Fair Value Measurements (continued)

Following is a description of the valuation methodology used for assets measured at fair value:

Stock and mutual funds: Valued at the closing price reported on the active market on which the mutual funds or individual securities are traded, and reported in level one of the fair value hierarchy.

There were no changes in the valuation methodology during the year.

Note 4 - Property and Equipment

The Organization's property and equipment are comprised of the following:

	<u>May 31,</u>	
	<u>2016</u>	<u>2015</u>
Land	\$ 1,178,000	\$ 1,178,000
Buildings and improvements	6,628,932	6,628,932
Equipment and furnishings	246,971	246,131
Vehicles	<u>322,971</u>	<u>319,288</u>
	8,376,874	8,372,351
Less accumulated depreciation	<u>(2,177,265)</u>	<u>(2,001,023)</u>
Property and equipment, net	<u>\$ 6,199,609</u>	<u>\$ 6,371,328</u>

Note 5 - Notes Payable

The Organization's notes payable consist of the following:

	<u>May 31,</u>	
	<u>2016</u>	<u>2015</u>
Note payable to a bank for a vehicle. Repaid during the year ended May 31, 2016.	\$ -	\$ 20,477
Note payable to a bank for a vehicle. Repaid during the year ended May 31, 2016.	-	28,474
Mortgage payable to a bank in the amount of \$6,800,000, collateralized by real property, with a fixed interest rate of 4.95% and monthly principal and interest payments of \$45,037. A balloon payment will be due at maturity in January 2025.	<u>5,966,426</u>	<u>6,743,946</u>
	<u>\$ 5,966,426</u>	<u>\$ 6,792,897</u>

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 5 - Notes Payable (continued)

Annual aggregate principal payments are as follows:

For the Year Ending May 31,

2017	\$	249,034
2018		263,827
2019		277,186
2020		291,223
2021		305,970
Thereafter		<u>4,579,186</u>
	\$	<u>5,966,426</u>

Note 6 - Temporarily Restricted Net Assets

Temporarily restricted net assets as of May 31, 2016 and 2015 represent the net proceeds of donations that have been restricted by the donors to be used only for the Philadelphia C.U.R.E. Community.

Note 7 - Non-Cash Contributions

Non-cash contributions consist of the following donated goods, services, and facilities:

	<u>For the Years Ended</u>	
	<u>May 31,</u>	
	<u>2016</u>	<u>2015</u>
Medical supplies	\$ 57,081,871	\$ 51,760,568
C.U.R.E. kits	914,000	747,600
Transportation and other	88,897	110,416
Warehouse and office rental space	<u>220,000</u>	<u>110,000</u>
	<u>\$ 58,304,768</u>	<u>\$ 52,728,584</u>

During the year ended May 31, 2016, shipments of goods exceeded non-cash goods contributed through the reduction of inventory supply. Non-cash revenues related to goods shipped exceeded non-cash expenses by \$291,283 during the year ended May 31, 2016. Non-cash expenses related to goods shipped exceeded non-cash revenues by \$1,677,755 during the year ended May 31, 2015.

BENEVOLENT HEALTHCARE FOUNDATION DBA PROJECT C.U.R.E.

Notes to Consolidated Financial Statements

Note 8 - Commitments and Contingencies

Operating Leases

The Organization leases warehouse and office space under verbal agreements that the monthly rent will be an in-kind donation to Project C.U.R.E. In-kind lease expense for the years ended May 31, 2016 and 2015 was \$220,000 and \$110,000, respectively.

The Organization also leases three warehouse spaces under operating leases expiring thorough May 2018. Rental expense under operating leases for the years ended May 31, 2016 and 2015 was \$332,567 and \$148,481, respectively. Future required payments are approximately as follows:

For the Year Ending May 31,

2017	\$	347,000
2018		<u>299,000</u>
	\$	<u>646,000</u>

Government Contracts

The Organization recognizes as revenue grant monies received as reimbursement for costs incurred in certain federal programs it administers. Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the Organization. The amount, if any, of expenditures that may be disallowed by the grantor cannot be determined at this time.

Note 9 - Retirement Plan

The Organization has a tax-sheltered annuity plan under Code Section 403(b) available to its employees. There were no employer contributions for the years ended May 31, 2016 and 2015.

SUPPLEMENTARY INFORMATION

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Benevolent Healthcare Foundation dba Project C.U.R.E.
Centennial, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Benevolent Healthcare Foundation dba Project C.U.R.E. (the "Organization"), which are comprised of the consolidated statement of financial position as of May 31, 2016, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 29, 2016.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the organization's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors
Benevolent Healthcare Foundation dba Project C.U.R.E.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit; accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is intended solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE**

To the Board of Directors
Benevolent Healthcare Foundation dba Project C.U.R.E.
Centennial, Colorado

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

We have audited Benevolent Healthcare Foundation dba Project C.U.R.E.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended May 31, 2016. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether non-compliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

To the Board of Directors
Benevolent Healthcare Foundation dba Project C.U.R.E.

Opinion on Each Major Federal Award

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended May 31, 2016.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, non-compliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material non-compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

PURPOSE OF THIS REPORT

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
