## INDEPENDENT AUDITORS' REPORT

Board of Directors  
**STAND! For Families Free of Violence**  
(A Nonprofit Corporation)  
Concord, California

### Report on the Financial Statements

We have audited the accompanying financial statements of **STAND! For Families Free of Violence (A Nonprofit Corporation)**, which are comprised of the statement of financial position as of June 30, 2016, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of STAND! For Families Free of Violence as of June 30, 2016 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of Cal-OES grant revenue and expenses is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated November 01, 2016 on our consideration of STAND! For Families Free of Violence's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering STAND! For Families Free of Violence's internal control over financial reporting and compliance.

## Report on Summarized Comparative Information

We have previously audited the STAND! For Families Free of Violence June 30, 2015 financial statements, and our report dated November 13, 2015, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies**

STAND! for Families Free of Violence, a Nonprofit Corporation, (the Organization) formerly STAND! Against Domestic Violence, incorporated September 14, 1977, merged with the Family Stress Center, Inc. on July 1, 2010. The Organization operates a 24 hour crisis line; housing centers for battered women and their children; group and individual counseling; legal services; an employment assistance program; a battering abatement program; child abuse; and prevention programs.

A summary of significant accounting policies applied in the preparation of the financial statement follows:

**Basis of Accounting:**

The financial statements of the Organization have been prepared on the accrual basis of accounting.

**Basis of Presentation:**

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30 of the prior year, from which the summarized information was derived.

The Organization is required to report information regarding their financial position and activities according to three classes of net assets: unrestricted assets, temporarily restricted net assets and permanently restricted net assets.

**Unrestricted Net Assets:**

Unrestricted net assets are those net assets presently available for use by the Organization at the discretion of the Board of Directors. If the Board specifies a purpose where none has been stated by the original donor, such assets are classified as Board designated operating net assets.

**Temporarily Restricted Net Assets:**

Temporarily restricted net assets reflect donor contributions or grant revenue with restrictions that expire when a time restriction ends or purpose restriction is accomplished.

**Permanently Restricted Net Assets – Endowment Fund:**

Permanently restricted net assets-endowment fund consists of an endowment fund to be held in perpetuity, the income from which is expendable in support of a program operated by the Organization to provide services to persons impacted by family violence.

**STAND! FOR FAMILIES FREE OF VIOLENCE**  
**(A Nonprofit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

**Cash and Cash Equivalents:**

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**Fair Value of Financial Instruments:**

The Organization did not hold financial instruments for trading purposes at June 30, 2016 and 2015.

The carrying amount of financial instruments, including cash and cash equivalents, accounts receivable, accounts payable, and accrued expenses approximate their fair value due to the short-term maturities of these instruments.

The carrying amounts (which are fair value) of long-term investments are based on values provided by quoted market values.

The carrying amount of notes payable approximates fair value because those financial instruments bear interest at variable rates that approximate current market rates for notes with similar maturities and credit quality.

**Investments:**

The Organization carries the endowment investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair value in the Statement of Financial Position. The Organization also carries some investments in a pooled investment account at their fair value in the Statement of Financial Position. The realized and unrealized gains and losses are allocated to the individual investors on a time and dollar weighted basis for the pool. The realized and unrealized gains and losses of the investment accounts are included in the change in net assets in the accompanying Statement of Activities.

In August 2008, the Financial Accounting Standards Board issued FASB Staff Position No. FAS 117-1, "Endowments of Not-for-Profit Organization: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Organizational Funds Act (UPMIFA), and Enhances Disclosures for All Endowment Funds". FAS 117-1 provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to UPMIFA. FAS 117-1 also requires additional disclosures about an organization's endowment funds.

The State of California enacted UPMIFA effective January 1, 2009, the provisions of which apply to endowment funds existing on or established after that date. The Organization has adopted FSP FAS 117-1. The Board of Directors has determined their permanently restricted net assets meet the definition of endowment funds under UPMIFA.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

**Accounts Receivable:**

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts and other circumstances, which may affect the ability of patients to meet their obligations. Receivables are considered impaired if principal payments are not received in accordance with contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collectible. At June 30, 2016 and 2015, allowance for doubtful accounts on accounts receivable was \$0.

**Contributions Receivable:**

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, which is measured at the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Due to the immaterial amount of the calculated discount, the Organization has not recorded the discount amount.

The Organization continually monitors donors and customers' creditworthiness and recognizes allowances for estimated bad debts on donor and customer accounts that are no longer estimated to be collectible. The Organization adjusts any allowance for subsequent collections upon final determination that an account or contribution receivable is no longer collectible. At June 30, 2016 and 2015, allowance for doubtful accounts on contributions receivable was \$25,413 and \$0, respectively.

**Property and Equipment:**

Property and equipment are stated at cost if purchased or at the approximate fair value at the date placed in service, if donated. Depreciation is computed on the straight-line basis over the estimated useful lives:

	<u>Years</u>
Buildings and improvements	10-30
Furniture and equipment	5-10
Leasehold improvements	15

It is the policy of the Organization to capitalize additions with costs greater than \$5,000.

**Accumulated Vacation:**

Accumulated unpaid employee vacation benefits are recognized as liabilities of the Organization. The amount of accumulated vacation at June 30, 2016 and 2015 was \$173,787 and \$167,108, respectively.

**STAND! FOR FAMILIES FREE OF VIOLENCE**  
**(A Nonprofit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

Accumulated Sick Leave:

Sick leave benefits are accumulated for each employee. The employees do not gain a vested right to accumulated sick leave. Accumulated employee sick leave benefits are not recognized as liabilities of the agency since payment of such benefits is not probable or estimable. Therefore, sick leave benefits are recorded as expenditures in the period sick leave is taken.

Notes Payable:

The Organization does not accrue interest on the note payable to Contra Costa County. The Organization expects the note to be forgiven at the maturity date.

Revenue Recognition:

A substantial portion of program revenues is derived from restricted federal and state grants. Revenues are recognized as expenses are incurred by the programs.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as satisfaction of restrictions on temporarily restricted net assets.

Donated Materials and Services:

Contributions of donated non-cash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, that are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received.

Income Tax Status:

The Organization has been granted tax-exempt status by the Internal Revenue Service under IRC Section 501(c)3 and the California Franchise Tax Board under Section 23701(d). The Organization is classified by the Internal Revenue Service as an other-than-private foundation. Accordingly, no provision for federal or state income taxes is made in the accompanying financial statements. The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, are subject to examination by the IRS, generally for three years after they were filed.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

Expense Allocation:

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses that are common to several functions are allocated based on estimates made by the Organization's management.

Nature of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events:

Management has evaluated subsequent events through November 01, 2016, the date on which the financial statements were available to be issued.

**Note 2. Concentrations of Credit Risk**

Financial instruments that subject the Organization to concentrations of credit risk at June 30, 2016 and 2015, respectively, consist principally of accounts receivable. At June 30, 2016 and 2015, 95% and 98% of accounts receivable are from government contracts and grants, respectively.

The Organization had deposits in excess of FDIC limits of \$572,109 and \$731,407 for the years ended June 30, 2016 and 2015, respectively.

The Organization had uninsured investments of \$147,512 and \$122,552 for the years ended June 30, 2016 and 2015, respectively.

**Note 3. Related Party Transactions**

During 2016, contributions from the Board of Directors totaled \$141,635. Undiscounted contributions receivable from such related parties were \$113,000 at June 30, 2016.

**STAND! FOR FAMILIES FREE OF VIOLENCE**  
**(A Nonprofit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**Note 4. Contributions Receivable**

Contributions receivable consisted of the following at June 30, 2016:

Receivable in fiscal year ending June 30:	
Due in less than one year	\$ 59,495
Due in one to five years	<u>229,100</u>
	288,595
Less: allowance for uncollectible contributions receivable	<u>(25,413)</u>
Total	<u><u>\$ 263,182</u></u>

**Note 5. Fair Value Measurements**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The hierarchy is broken down into three levels based on the observability of inputs as follows:

*Level 1*—quoted prices in active markets for identical investments.

*Level 2*—observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted price for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3*—unobservable inputs not corroborated by market data, therefore requiring the entity to use the best information available in the circumstances, including the entity's own data.

The categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. All of the cash and cash equivalents and investments invested in marketable securities are deemed to be Level 1 within the valuation hierarchy with the exception of the pooled investment account. The pooled investment account funds are valued at net asset value per unit. These pooled investment account funds are a fund of funds and are directly held funds, which in aggregate; represent a number of underlying funds with a wide range of investment strategies. **Note 7. Endowment**

The Organization's endowment consists of approximately one endowment fund – Rollie Mullen Endowment Fund. Its endowment includes only donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

**STAND! FOR FAMILIES FREE OF VIOLENCE**  
**(A Nonprofit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**Note 7. Endowment (Cont.)**

The Board of Directors of the Organization has interpreted the State Prudent Management of Organizational Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporary restricted net assets in a manner consistent with the standard of prudence prescribed by SPMIFA. However, in accordance with the Organization's accounting policy of restricted revenue and support (see Note 1), these earnings are reflected as unrestricted activity. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (a) the duration and preservation of the endowment fund, (b) the purposes of the Organization and the donor-restricted endowment fund, (c) general economic conditions, (d) the possible effect of inflation and deflation, (e) the expected total return from income and the appreciation of investments, (f) other resources of the Organization, and (g) the investment policies of the Organization

Endowment net asset composition by type of fund consisted of the following as of June 30:

	<u>2016</u>			
	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-restricted endowment funds	\$ <u>          --          </u>	\$ <u>          --          </u>	\$ <u>      124,171      </u>	\$ <u>      124,171      </u>
	<u>2015</u>			
	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-restricted endowment funds	\$ <u>          --          </u>	\$ <u>          --          </u>	\$ <u>      124,171      </u>	\$ <u>      124,171      </u>

There was no change in endowment net assets for the year ended June 30, 2016 and 2015.

The Organization has adopted an investment policy for its endowment assets that attempt to provide a stream of funding for its mission supported by the endowment. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period(s). Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Organization expects its endowment funds, over time, to provide an average rate of return of approximately 5 percent annually. Actual returns in any given year may vary from this amount.

**STAND! FOR FAMILIES FREE OF VIOLENCE**  
**(A Nonprofit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**Note 7. Endowment (Cont.)**

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The earnings on the Organization endowment assets are classified as unrestricted earnings.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
**STAND! For Families Free of Violence**  
**(A Nonprofit Corporation)**  
Concord, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **STAND! For Families Free of Violence (A Nonprofit Corporation)** which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 01, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### **Report on Compliance for Each Major Federal Program**

We have audited **STAND! ### **Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for each of STAND! For Families Free of Violence's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about STAND! For Families Free of Violence's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of STAND! For Families Free of Violence's compliance.

### **Report on Internal Control Over Compliance**

Accordingly, we do not express an opinion on the effectiveness of STAND! For Families Free of Violence's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
