Independent Auditors' Report

To the Board of Directors
Dorcas International Institute of Rhode Island, Inc.
The International Charter School Corporation
Providence, Rhode Island

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Dorcas International Institute of Rhode Island, Inc. and The International Charter School Corporation (collectively referred to as the Organization), which comprise the consolidated statements of financial position as of June 30, 2018 and 2017, and the related consolidated statements of activities, changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedules of financial position, activities and cash flows as of and for the years ended June 30, 2018 and 2017, are presented for the purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 14, 2018 on our consideration of Dorcas International Institute of Rhode Island, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Dorcas International Institute of Rhode Island, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Dorcas International Institute of Rhode Island, Inc.'s internal control over financial reporting and compliance.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - NATURE OF ORGANIZATION

The International Institute of Rhode Island, Inc., was organized in 1941 as a nonprofit corporation for the purpose of providing immigrants and refugees in Southeastern New England with educational and social services to enable them to become self-reliant and productive members of society, and to enable them to participate fully in the social, educational, economic and cultural opportunities available to all Americans. Effective January 1, 2013, the International Institute of Rhode Island, Inc., acquired Dorcas Place Adult and Family Learning Center, Inc. (Dorcas) and changed its name to the Dorcas International Institute of Rhode Island, Inc. (the Institute).

The Institute's mission is to empower individuals and families, especially the underserved, immigrants and refugees, to become self-sufficient and fully participating members of the community through innovative programs and advocacy that promote education, training and cultural understanding. The Institute offers a comprehensive range of programs and services to assist adults and families realize their full potential.

In furtherance of its mission, the Institute's principal activities are:

- Classroom education, including adult basic education, English language learning, family literacy, career-focused training, computer training and GED preparation.
- Immigration and citizenship counseling and informational workshops.
- Interpreting and translating services in over 60 languages.
- Refugee resettlement, including initial resettlement and a variety of employment and support services.
- Welcoming Rhode Island initiative and cross-cultural adjustment.
- Other related services to meet the needs of area community members.

The International Charter School Corporation (the School) is a multilingual, multicultural elementary school. It was organized in 2001 as a nonprofit corporation and began operations in Pawtucket, Rhode Island, in the fall of 2001. The goals of the School include:

- Providing a culturally sensitive and inclusive public school option.
- Teaching children of all cultural backgrounds to appreciate diversity and participate in a global society.
- Balancing high standards of literacy and numeracy with respect for diverse languages.

The Dorcas International Institute of Rhode Island, Inc. is the sole corporate member of The International Charter School Corporation. In accordance with the School's by-laws, the Institute has a controlling interest over the activity and corporate governance of the School. In addition, the Institute has an economic interest in the School. Accordingly, the financial statements of the Institute and the School are presented on a consolidated basis (collectively referred to as the Organization).

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The consolidated financial statements include the accounts of the Institute and the School. All significant intercompany transactions and balances have been eliminated.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues, support and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Restricted Cash

The Organization considers all cash and cash equivalents with restrictions imposed by donors limiting its use as restricted.

Accounts Receivable

The Organization carries its accounts receivable at cost less an allowance for doubtful accounts of \$9,030 at June 30, 2018 and 2017. On a periodic basis, the Organization evaluates its accounts receivable and adjusts the allowance for doubtful accounts, if necessary, based on current credit conditions. Accounts are written off based on management's evaluation of the collectability of each account resulting from collection efforts.

Grants Revenues and Receivable

Grants and contracts are restricted by the grantors for particular operating purposes. These funds are deemed to be earned and reported as revenues when the Organization has incurred expenses in compliance with the specific restrictions. Such amounts received but not yet earned, are reported as deferred revenue. Such amounts earned but not yet received are reported as grants receivable.

Investments

Investments in marketable securities with readily determinable fair values are measured at fair value in the statements of financial position. Investment returns, including dividends, interest and appreciation or depreciation are included in unrestricted net assets unless their use is restricted by explicit donor stipulations or law. Purchases and sales of investments are recorded on the trade date basis.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Property and Equipment

All acquisitions of property and equipment of \$1,000 or more are capitalized. Property and equipment are recorded at cost. Depreciation is calculated on the straight-line method over the expected useful lives of the assets.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as temporarily restricted. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the asset is placed in service, at which time the Organization reclassifies temporarily restricted net assets to unrestricted net assets.

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized for the amount by which the carrying amount of the asset exceeds the fair value of the asset.

Deferred Financing Costs

Costs incurred to issue bonds are amortized over the term of the bonds using the straight-line method. The bond issue costs are presented as a direct deduction of the carrying amount of the debt. Amortization of the bond issue costs is included in interest expense, which is included in program service and general overhead and administration expenses in the consolidated statements of activities.

Basis of Presentation

The Organization's net assets and revenues, expenditures, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted Net Assets

Includes funds of which management and the Board of Directors of the Organization retain full control to use in achieving any of their organizational purposes. This group includes investments designated by the Board for certain operational or educational purposes.

Temporarily Restricted Net Assets

Includes funds restricted by donors, which may only be utilized in accordance with purposes and/or time periods established by the donor of such funds, and also includes accumulated investment income and gains on donor-restricted endowment assets that have not been appropriated for expenditure.

Permanently Restricted Net Assets

Includes funds permanently restricted by donors, which require that the principal be invested in perpetuity and only the income be utilized by the Organization. Income may be utilized for unrestricted purposes or temporarily restricted purposes as established by the donor.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Program Service Fees and Contracts

The School charges tuition fees to local municipalities and records revenue ratably over the period for which it is earned. The School also receives funding from the State of Rhode Island to fund certain federal programs. The Institute recognizes service fee revenue at the time the services are provided and recognizes contract revenues in accordance with the contract agreement.

Contributions

Unconditional promises to give are recognized as revenues in the period the promise is received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Donated Goods and Services

Contributions of goods and services which create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. Donated goods and services recorded in the consolidated statement of activities were \$-0- for the years ended June 30, 2018 and 2017.

The Organization receives a substantial amount of services donated by volunteers interested in the Organization's programs. Volunteers help in many ways, such as tutoring students in English, assisting teachers, translating documents, assisting refugees, performing clerical work and helping to organize social and fundraising events. The consolidated financial statements do not include the value of these donated services because they do not meet the criteria for recognition.

Functional Expense Allocation

The direct costs of providing the various program services and fundraising activities, and the indirect costs, including general overhead and administration, have been summarized on a functional basis in the consolidated statements of activities. When reporting to grantors, indirect costs are allocated to the program and supporting services benefited based on the number of payroll hours allocated to each program or service, and/or based on square footage of space occupied.

Income Taxes

No provision for federal and state income taxes has been reflected in the accompanying consolidated financial statements since the Institute and the School qualify as tax-exempt organizations as provided under the Internal Revenue Code, Section 501(c)(3). The Internal Revenue Service has classified the Institute and the School as organizations which are public charities.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization reports tax-related interest and penalties, if any, as a component of general overhead and administration expense.

Advertising Costs

The Organization expenses advertising costs when incurred. For the years ended June 30, 2018 and 2017, advertising expense totaled \$46,369 and \$15,554, respectively.

Reclassifications

Certain accounts in the prior year consolidated financial statements have been reclassified for comparative purposes to conform to the presentation in the current year consolidated financial statements.

Subsequent Events

Subsequent events have been evaluated through December 14, 2018, which is the date the financial statements were available for issuance.

NOTE 3 - CONCENTRATION OF CREDIT RISK

Financial instruments that subject the Organization to credit risk consist of cash and cash equivalents, investments and grants receivable.

Cash, Cash Equivalents and Investments

The Organization maintains the majority of its cash, cash equivalents and investment balances with domestic financial institutions that the Organization believes are of high credit standing. The Organization's credit risk with respect to such balances is all amounts on deposit in excess of federally insured limits.

Revenue and Grants Receivable

At June 30, 2018, grants receivable included amounts due from four grantors representing approximately 66% of the outstanding balance. At June 30, 2017, there were four grantors representing approximately 69% of the outstanding balance.

The Organization receives a substantial portion of its revenue from federal and state sources.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 4 - INVESTMENTS

Investments are stated at fair value and consist of the following at June 30, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Common stocks	\$ 1,332,629	\$ 1,192,726
Mutual funds	210,029	205,598
Corporate and government bonds	510,708	471,648
REIT's	<u>33,395</u>	<u>17,478</u>
Investments	<u>\$ 2,086,761</u>	<u>\$ 1,887,450</u>

The following is the composition of investment return for the years ended June 30, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Interest and dividend income	\$ 57,950	\$ 50,284
Unrealized gain on investments, net	37,569	131,300
Realized gains, net	<u>51,260</u>	<u>16,835</u>
Total Investment Return	<u>\$ 146,779</u>	<u>\$ 198,419</u>

NOTE 5 - FAIR VALUE INFORMATION

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access. Level 1 assets include mutual funds that are valued at the quoted price of shares held by the Organization at year end. Level 1 assets also include U.S. government securities, corporate bonds, common stocks and REIT's which are valued at quoted closing prices.

Level 2

Observable prices, other than quoted prices within Level 1, including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of assets measured on a recurring basis at June 30, 2018 is as follows:

	<u>Level 1</u>	<u>Total</u>
Common stocks:		
Consumer discretionary	\$ 112,890	\$ 112,890
Consumer staples	54,747	54,747
Energy	52,971	52,971

NOTE 6 - PROPERTY AND EQUIPMENT

The following is a summary of property and equipment - at cost, less accumulated depreciation at June 30, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Land	\$ 343,055	\$ 343,055
Buildings and improvements	3,325,883	3,233,745
Leasehold improvements	2,243,741	2,232,881
Playground	139,812	139,812
Furniture and equipment	1,298,529	1,223,426
	<u>7,351,020</u>	<u>7,172,919</u>
Less accumulated depreciation	<u>4,300,772</u>	<u>3,995,817</u>
Net Property and Equipment	<u>\$ 3,050,248</u>	<u>\$ 3,177,102</u>

Depreciation expense for the years ended June 30, 2018 and 2017, was \$304,955 and \$310,277, respectively.

NOTE 7 - DEFERRED REVENUE

Deferred revenue related to the following as of June 30, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Immigration and refugee resettlement	\$ 13,312	\$ 46,866
Fall registrations	8,500	7,193
Special event	-	18,250
Other	1,183	1,436
	<u>22,995</u>	<u>73,745</u>
Total Deferred Revenue	<u>\$ 22,995</u>	<u>\$ 73,745</u>

The Organization receives revenue for immigrant and refugee resettlement and family literacy programs, and the \$13,312 and \$46,866 represents funds not yet distributed to and used for the benefit of participants in the program in 2018 and 2017, respectively.

NOTE 8 - LINE OF CREDIT

The Institute has a commercial line of credit bearing interest at the prime rate, 5.00% as of June 30, 2018, and is due on demand. There was no balance owed on the line of credit at June 30, 2018 and 2017. The line is secured by the commercial real estate located at 220 Elmwood Avenue, Providence, Rhode Island. The total funds available to be drawn upon were \$500,000 as of June 30, 2018.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 9 - LONG-TERM DEBT

The Institute entered into an agreement with the Rhode Island Health & Educational Building Corporation (RIHEBC) for the issuance of \$2,600,000 of variable interest rate bonds to finance the acquisition, construction, improvement and equipping of the School facility. Interest on these bonds is payable on August 1 and February 1 of each year and the bonds mature on August 1, 2033. The variable interest rate at issuance was 0.8% and the bonds are secured by a letter of credit and a pledge of gross receipts. The variable rate was 1.36% and 1.05% as of June 30, 2018 and 2017. Annual principal payments on the bonds are adjusted gradually each year through 2034 and range between \$55,000 and \$135,000.

Long-term debt at June 30, 2018 and 2017, is as follows:

	2018		2017	
	Principal	Unamortized Bond Issuance Costs	Principal	Unamortized Bond Issuance Costs
2003 Series Bonds Payable	\$ 1,560,000	\$ <u>120,282</u>	\$ 1,640,000	\$ <u>128,257</u>
Less current portion	<u>85,000</u>		<u>80,000</u>	
Long-term portion	1,475,000		1,560,000	
Less unamortized bond issuance costs	<u>120,282</u>		<u>128,257</u>	
Long-Term Debt, Net	\$ <u>1,354,718</u>		\$ <u>1,431,743</u>	

Annual maturities on long-term debt are as follows:

Year Ending June 30,		\$
2019		85,000
2020		85,000
2021		90,000
2022		90,000
2023		95,000
Thereafter		<u>1,115,000</u>
Total long-term debt		1,560,000
Less current portion of long-term debt		<u>85,000</u>
Net Long-Term Debt		\$ <u>1,475,000</u>

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

In connection with the bonds payable and letter of credit, the Organization is subject to various covenants as to the minimum amount of cash on hand, the maintenance of a maximum leverage ratio, and the maintenance of certain debt coverage ratios. As of June 30, 2018, management is not aware of any violations of the covenants.

The Organization incurred and paid interest costs of \$27,808 and \$21,165 (including \$7,974 for each year of amortization of deferred finance fees) for the years ended June 30, 2018 and 2017, respectively.

NOTE 10 - OPERATING LEASES

On November 1, 2014, the International Charter School entered into a long-term lease (three years) agreement to rent space for the School's operations. The lease for this space provides for monthly installments of \$8,438, adjusted for the tenant's pro-rata share of insurance, taxes and relevant expenses, through October 31, 2017.

On November 1, 2017, the International Charter School entered into a long-term lease (two years) agreement to rent space for the School's operations. The lease for this space provides for monthly installments of \$10,000, adjusted for the tenant's pro-rata share of insurance, taxes and relevant expenses, through October 31, 2019.

Rental expense totaled \$113,752 and \$101,620 for the years ended June 30, 2018 and 2017, respectively.

The Organization has entered into several other lease agreements for office equipment with varying terms through 2020. Lease expense for the above noted leases totaled \$22,065 and \$23,820 for the years ended June 30, 2018 and 2017, respectively. Future minimum lease payments under the above noted operating lease obligation are as follows:

<u>Year Ending June 30</u>	
2019	\$ 123,321
2020	<u>53,442</u>
Total	<u>\$ 176,763</u>

Educational programs	224	-
	<u>\$ 224</u>	<u>\$ 29,831</u>

NOTE 12 - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets represent the Friedman Fund, which was established in 1985 by the family of Samuel Friedman in his honor. Net investment income and realized and unrealized gains (losses) have been added to (subtracted from) the principal in accordance with donor restrictions and intentions. This restriction is to continue to add the investment earnings to the Fund until the Friedman Fund equals or exceeds \$500,000, at which time the income may be used to support the educational programs of the Institute. At June 30, 2018 and 2017, the fair value of the Friedman Fund was \$552,953 and \$508,840, respectively.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Interpretation Of Relevant Law

The Board of Directors of the Institute has interpreted the State of Rhode Island's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Institute has classified as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund;
2. The purposes of the Institute and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Institute;
7. The investment policies of the Institute.

Return Objectives and Risk Parameters

The Institute has adopted investment policies for endowment assets that attempt to generate funds to serve the mission and goals of the Institute. The basic investment objective of the fund is to achieve an appropriate level of growth and income while enhancing the inflation adjusted value of the principal over time. The funds should be invested to produce maximum total return consistent with prudent risk limits. In addition, the fund should avoid investments that are contrary to the mission of the Institute.

Decisions as to individual security selection, security size and quality, number of industries and holdings, current income levels, and turnover are left to the complete discretion of the investment manager. Such decisions are subject to the guidelines set forth in this policy statement and to the usual standards of fiduciary prudence. All objectives and policies are reviewed, at least annually, for their continued appropriateness. Regular communication concerning investment strategy and outlook is expected.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Strategies Employed for Achieving Objectives

For the purposes of planning, the time horizon for investments is to be in excess of ten years. Capital values do fluctuate over shorter periods of time and the possibility of capital loss does exist. However, historical asset class return data suggests that the risk of principal loss over a holding period of at least three to five years can be minimized with the long-term investment mix employed under this Investment Policy Statement (IPS). Academic research suggests that the decision about how to allocate total assets among various asset classes will far outweigh security selection and market timing in terms of long-term portfolio performance. After reviewing the performance and risk characteristics of various asset classes and balancing the risks and rewards of market behavior, the following asset mix was selected to achieve the objectives. The portfolio will be managed in a manner that seeks to minimize principal fluctuations over the established time horizon and is consistent with stated objectives. Using historical risk and return measurements, the target asset mix would be expected to provide an average annual total return of 8.5%, and 95% of the time fall within an annual total return range of -2% to +37%. It is recognized that the 8.5% total return objective may be difficult to attain in some five-year periods and may be easily attained in others; however, over longer periods this benchmark return is reasonable and achievable.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Institute has a policy that the Investment Management Committee will advise the investment manager annually of a maximum percentage that will be needed during the ensuing year for operating expenses. However, no income will be taken out of the Friedman Fund until the principal of that fund reaches \$500,000, as requested by the donors. The accounts should maintain liquidity reserve in excess of 2% for investment opportunities, distributions and fees.

NOTE 13 - RELATED PARTY TRANSACTIONS

Contributions from board members of approximately \$58,373 and \$66,170 are included in contribution income for the years ended June 30, 2018 and 2017, respectively.

NOTE 14 - RETIREMENT PLAN

The Institute has a defined contribution retirement plan under which all employees become eligible to participate upon completing one year of service (minimum of 1,000 hours) and meeting certain age requirements (minimum age of 18). Employees are 100% vested in employer contributions after two years. Under this plan, the Institute is required to annually define its contribution. For the years ended June 30, 2018 and 2017, the contributions were 3% of eligible participant compensation. Retirement expense for the fiscal years ended June 30, 2018 and 2017, was \$80,826 and \$87,192, respectively. The June 30, 2018 and 2017 expense is net of forfeitures applied of \$392 and \$-0-, respectively. These amounts represent amounts forfeited under the terms of the plan by employees who terminated service prior to meeting the required vesting period.

Certified teaching personnel of the School participate in the Rhode Island State Employees Retirement program (a hybrid defined benefit and defined contribution plan), requiring a contribution of 8.75% from each employee. The School is also required to make a contribution to this defined benefit plan on behalf of the teachers. For the years ended June 30, 2018 and 2017, the School's contribution rate was 13.24% and 13.18%, respectively. The teachers charged to federal grant programs required a

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC. AND THE INTERNATIONAL CHARTER SCHOOL CORPORATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

School contribution of 23.13%, for fiscal 2018 and 2017, respectively. In addition to the defined benefit plan contributions noted above, the School was also required to contribute .6% to a defined contribution plan on behalf of the employees. For the years ended June 30, 2018 and 2017, the total pension contributions paid by the School were \$314,213 and \$297,962, respectively. In addition, the State of Rhode Island also contributes to the retirement plan on behalf of the public and Charter School employees. For the years ended June 30, 2018 and 2017, these contributions totaled approximately \$222,000 and \$207,000, respectively.

The School has a 403(b) pension plan under which all employees are eligible to participate upon their hire date. Employees are 100% vested in employer contributions after four years. Under this plan, the School may contribute a discretionary contribution, which is determined annually. However, employees covered under the State retirement plan are not eligible for the discretionary contribution. For the years ended June 30, 2018 and 2017, the School contributed 3% of eligible participant compensation. Retirement expense pertaining to the 403(b) plan for the fiscal years ended June 30, 2018 and 2017, was \$13,967 and \$15,167, respectively.

NOTE 15 - CONTINGENCIES

The Organization receives grants from various federal, state and other grantor agencies. These grants are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected and recognized as revenue, may constitute a liability to the Organization. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although management expects such amount, if any, to be immaterial.

NOTE 16 - UNCERTAINTY

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and that such change could materially affect the fair values of the Organization's investment securities in the near term.

Independent Auditors' Report on Compliance for Each Major Federal Program; Report on Internal Control over Compliance; and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

To the Board of Directors
Dorcas International Institute of Rhode Island, Inc.
Providence, Rhode Island

Report on Compliance for Each Major Federal Program

We have audited Dorcas International Institute of Rhode Island, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Dorcas International Institute of Rhode Island, Inc.'s major federal program for the year ended June 30, 2018. Dorcas International Institute of Rhode Island, Inc.'s major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for Dorcas International Institute of Rhode Island, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Dorcas International Institute of Rhode Island, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Dorcas International Institute of Rhode Island, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Dorcas International Institute of Rhode Island, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

Report on Internal Control over Compliance

Management of Dorcas International Institute of Rhode Island, Inc., is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Dorcas International Institute of Rhode Island, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Dorcas International Institute of Rhode Island, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the consolidated financial statements of Dorcas International Institute of Rhode Island, Inc., as of and for the year ended June 30, 2018 and have issued our report thereon dated December 14, 2018, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

DORCAS INTERNATIONAL INSTITUTE OF RHODE ISLAND, INC.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2018

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Dorcas International Institute of Rhode Island, Inc., under programs of the federal government for the year ended June 30, 2018. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Dorcas International Institute of Rhode Island, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Dorcas International Institute of Rhode Island, Inc.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. For cost-reimbursement awards, such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. For performance-based awards, expenditures reported represent amounts earned.

NOTE 3 - INDIRECT COST RECOVERY

Dorcas International Institute of Rhode Island, Inc., has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**Independent Auditors' Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

To the Board of Directors
Dorcas International Institute of Rhode Island, Inc.
Providence, Rhode Island

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Dorcas International Institute of Rhode Island, Inc., which comprise the consolidated statement of financial position as of June 30, 2018 and the related consolidated statement of activities, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 14, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Dorcas International Institute of Rhode Island, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Dorcas International Institute of Rhode Island, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Dorcas International Institute of Rhode Island, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Dorcas International Institute of Rhode Island, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Dorcas International Institute of Rhode Island, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Dorcas International Institute of Rhode Island, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
