INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Quality Home Care Services, Inc.
Charlotte, North Carolina

We have audited the accompanying financial statements of Quality Home Care Services, Inc. (the "Organization" - a nonprofit corporation), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Quality Home Care Services, Inc.
Charlotte, North Carolina

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Quality Home Care Services, Inc., as of June 30, 2018 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 8, 2019, on our consideration of Quality Home Care Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Quality Home Care Services, Inc.'s internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the Organization's 2017 financial statements, and our report dated May 30, 2019, expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

QUALITY HOME CARE SERVICES, INC.

Notes to Financial Statements

June 30, 2018

NOTE A - NATURE OF OPERATIONS

Organization

Quality Home Care Services, Inc. (the “Organization”) is a North Carolina nonprofit organization established in 2005 and organized to provide personal care services to individuals with Mental Health, Development Disabilities (MH/DD), Substance Abuse, and HIV/AIDS Prevention and Care Services.

Funding

The Organization is primarily funded by grants from the Centers for Disease Control and Prevention (CDC), Mecklenburg County Health Department, Rx Clinic Pharmacy, and various other organizations.

Purpose

The purpose of the Organization is to promote wellness and health equity for those living with health disparities in the Carolinas.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis of presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not restricted by donors or for which donor-imposed restrictions have expired.

Temporarily restricted net assets - Net assets that contain donor-imposed time or purpose restrictions that have not currently been met. As of June 30, 2018, the Organization did not have any remaining temporarily restricted net assets.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained in perpetuity by the Organization. As of June 30, 2018, the Organization did not have any permanently restricted net assets.

QUALITY HOME CARE SERVICES, INC.

Notes to Financial Statements

June 30, 2018

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Contributions

Quality Home Care Services, Inc. accounts for contributions in accordance with GAAP. Accordingly, the Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. As permitted by this accounting standard, Quality Home Care Services, Inc. has adopted a policy to record all temporarily restricted contributions as unrestricted if the funds were utilized in the current fiscal year.

Grants receivable

Grants receivable consist of unconditional promises to give which are stated at realizable value. No discount for present value has been imputed as all grants receivable are expected to be collected during the following fiscal year. Management's determination of the allowance for doubtful accounts is based on an evaluation of the amounts receivable, past experience, current economic conditions, and other risks inherent in the receivable portfolio. At June 30, 2018, management determined no allowance was considered necessary.

Property and equipment

Fixed assets exceeding \$1,000, are recorded at cost if purchased or fair value if donated. Costs that improve or extend the useful lives of assets are capitalized. Amounts paid for maintenance and repairs are expensed as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which vary from three to ten years.

Deferred revenue

Amounts received from a drawdown of funds that is related to deferred and recognized as revenue when the expenditures are incurred.

Donated services and goods

Donated services are reported as contributions when the services (a) create or enhance nonfinancial assets or (b) would be purchased if they had not been provided by contribution, require specialized skills, and are provided by individuals possessing those skills. Donated equipment or materials, if significant, are included in support at fair value. During the year, the Organization recorded no contributed services or donated goods.

In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs and various assignments. No amounts have been reflected in the financial statements for these contributions, as they do not meet the criteria for recognition described above.

QUALITY HOME CARE SERVICES, INC.

Notes to Financial Statements

June 30, 2018

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Functional allocation of expenses

Expenses are allocated to program services and management and general based on management's estimates of time spent and various allocation methods appropriate to the type of expense. Management determined that no expenses occurred related to fundraising activities during the year ended June 30, 2018.

Income tax status

The Organization is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation as defined by Section 509(a) of the Internal Revenue Code.

Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of support, revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE C - PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at June 30, 2018:

Office equipment	\$ 56,061
Building improvements	11,952
Vehicles	8,110
<hr/>	
Total cost	76,123
Less – accumulated depreciation	71,422
<hr/>	
PROPERTY AND EQUIPMENT - NET	\$ 4,701

NOTE D - CONCENTRATIONS OF RISK

Funding

During the year ended June 30, 2018, the Organization received the majority of its funding from a limited number of funding sources, a large amount of which is renewable annually. This represents a significant concentration of risk that operations could be affected if any of these agencies unexpectedly discontinued their funding of the Organization.

QUALITY HOME CARE SERVICES, INC.

Notes to Financial Statements

June 30, 2018

NOTE D - CONCENTRATIONS OF RISK, continued

Government grants

Financial awards from federal, state, and local governmental entities in the form of grants are subject to special audit. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

Geographic area

The Organization operates in a limited geographic area and is therefore sensitive to changes in the local economy.

NOTE E - LEASE COMMITMENTS

Operating lease

The Organization leases office spaces at five locations in Charlotte, NC and Gastonia, NC. The rent expense for the year ended June 30, 2018 was \$77,257. Future minimum payments under operating leases are due during the years ending June 30:

2019	\$	26,225
2020		15,775
2021		1,600
<hr/>		
TOTAL	\$	43,600

NOTE F - CONTINGENCIES

Financial awards from federal, state, and local governmental entities in the form of grants are subject to special audits by the funding agencies. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

NOTE G - RELATED PARTY TRANSACTIONS

The 4C Company of NC, LLC

The Organization's Executive Director is the owner of a for-profit limited liability company, the 4C Company of NC, LLC (4C), which provides assistance with activities of daily living to children and adults. The Organization receives money from Medicaid for services that are performed by 4C and are remitted to them as contractor expense. Expenses that are incurred by the Organization for the benefit of 4C are recorded as an increase in the amount due from 4C. At June 30, 2018 4C owes the Organization \$67,020.

QUALITY HOME CARE SERVICES, INC.

Notes to Financial Statements

June 30, 2018

NOTE G - RELATED PARTY TRANSACTIONS, continued

Due to Executive Director

At June 30, 2018, the Organization owed \$42,086 to its Executive Director for unpaid salary and amounts advanced to the Organization. No payments were made on this loan during the year ended June 30, 2018. As of the date of this report, no terms of repayment had been established, and no present value discount has been provided in the accompanying financial statements.

NOTE H - SUBSEQUENT EVENTS

The Organization has evaluated subsequent events from the date of the statement of financial position through the date of the audit report, which is the date the financial statements were available to be issued. During this time, the Organization determined that it was required to have an audit in conformity with Uniform Guidance and failed to do so by the deadline for submission. This potentially could have a negative impact on the Organization's federal funding going forward.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Quality Home Care Services, Inc.
Charlotte, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Quality Home Care Services, Inc. (the "Organization"), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 8, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be a material weakness (Finding 2018-1).

To the Board of Directors of
Quality Home Care Services, Inc.
Charlotte, North Carolina

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

PHILLIP G. WILSON
TERRY W. LANCASTER

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Quality Home Care Services, Inc.
Charlotte, North Carolina

Report on Compliance for Each Major Federal Program

We have audited Quality Home Care Services, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2018. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2018.

To the Board of Directors of
Quality Home Care Services, Inc.
Charlotte, North Carolina

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be material weaknesses. (Finding 2018-1, and 2018-2)

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Charlotte, North Carolina
July 8, 2019

Quality Home Care Services, Inc.
Schedule of Findings and Questioned Costs
Year Ended June 30, 2018

I. Summary of Auditors' Results

- A. An unmodified opinion was issued on the financial statements of Quality Home Care Services, Inc. (the "Organization").
- B. No significant deficiencies relating to the audit of the financial statements are reported, but material weaknesses are reported in the "Independent Auditors' Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit of Financial Statements In Accordance With *Government Auditing Standards*."
- C. No instances of noncompliance material to the financial statements of the Organization were disclosed during the audit.
- D. No significant deficiencies relating to the audit of the major federal award program are reported, but a material weakness is reported in the "Independent Auditors' Report On Compliance For Each Major Program And On Internal Control Over Compliance Required By The Uniform Guidance."
- E. An unmodified opinion was issued on the Organization's compliance with the types of compliance requirements applicable to its major federal program.
- F. Our audit disclosed no audit findings that related to the Organization's major federal program.
- G. The major federal program for the Organization for the fiscal year ended June 30, 2018 is:

<u>Program Name</u>	<u>CFDA#</u>
Comprehensive High-Impact HIV Prevention Projects	93.939
- H. The threshold for determining Type A programs for the Organization is \$750,000.
- I. The Organization did not qualify as a low risk auditee under Section 200 of the Uniform Guidance.

II. Findings Related to the Audit of the Financial Statements

Material Weakness

Finding 2018-1

Criteria: Adequate review and oversight monitoring

Condition: The Organization had limited personnel during the fiscal year involved in the accounting and reporting functions.

Quality Home Care Services, Inc.
Schedule of Findings and Questioned Costs
Year Ended June 30, 2018

Effect: The Organization's financial statements were materially misstated.

Cause: There was no oversight over the Organization's bookkeeper.

Recommendation: A member of the Board of Directors with grant reporting knowledge should perform oversight monitoring.

Views of responsible officials and planned corrective actions: The Organization agrees with this finding.

Corrective Action Plan: The Organization's Chief Financial Officer has taken the necessary steps by adding a monthly checklist to be signed off on by a knowledgeable Board member.

Name of contact person: Beverly Smothers, Chief Financial Officer

III. Findings Related to the Audit of Federal Awards

Finding 2018-2

Criteria: Data collection form is to be submitted 9 months from the fiscal year end date.

Condition: The data collection form has yet to be submitted.

Effect: The Organization will not qualify as a low risk auditee.

Cause: The financial statements from the prior two periods (June 30, 2016 and June 30, 2017) were delayed due to material misstatements, therefore causing the June 30, 2018 financial statements to be delayed.

Recommendation: Recommendations have been made and appear to have been implemented.

Views of responsible officials and planned corrective actions: The Organization agrees with this finding.

Corrective Action Plan: The June 30, 2019 audit will be scheduled in adequate time to complete the audit and submit the data collection form by the required due date.

Name of contact person: Lisa Wigfall, Chief Executive Officer.

IV. Summary Schedule of Prior Year Audit Findings

Material Weakness

Finding 2017-1

Criteria: Adequate review and oversight monitoring

Condition: The Organization had limited personnel involved in the accounting and reporting functions.

Effect: The Organization's financial statements were materially misstated.

Cause: There was no oversight over the Organization's bookkeeper. Therefore errors were made that were material to the financial statements and were not identified on a timely basis.

Recommendation: A member of the Board of Directors with grant reporting knowledge should perform oversight monitoring.

Views of responsible officials and planned corrective actions: The Organization agrees with this finding.

Corrective Action Plan: The Organization's Chief Executive Officer will take the necessary steps by adding a monthly checklist to be signed off on by a knowledgeable Board member.

Name of contact person: Lisa Wigfall, Chief Executive Officer

Material Weakness

Finding 2017-2

Criteria: Auditing standards require management have the ability to provide financial statements in accordance with generally accepted accounting principles which are free of material misstatements.

Condition: The Organization's initial financial statements had various material errors.

Effect: The Organization's financial statements were materially misstated.

Cause: The Organization had multiple bookkeepers who were not competent to perform their duties.

Quality Home Care Services, Inc.
Schedule of Findings and Questioned Costs
Year Ended June 30, 2018

Recommendation: The Organization should ensure it has adequate competent staff or contractors to provide the auditing firm complete and accurate financial statements for future engagements, while also maintaining accurate financial statements throughout the year.

Views of responsible officials and planned corrective actions: The Organization agrees with this finding.

Corrective Action Plan: The Organization's Chief Executive Officer has taken steps to strengthen its accounting department by hiring two competent accountants who have the necessary skills to provide financial statements free of material misstatements going forward.

Name of contact person: Lisa Wigfall, Chief Executive Officer.

Finding 2017-3

Criteria: Data collection form is to be submitted 9 months from the fiscal year end date.

Condition: The data collection form has yet to be submitted.

Effect: The Organization will not qualify as a low risk auditee.

Cause: The financial statements were materially misstated and caused the audit to be delayed.

Recommendation: Implement corrective actions noted above.

Views of responsible officials and planned corrective actions: The Organization agrees with this finding.

Corrective Action Plan: The Organization's Chief Executive Officer has taken steps to implement the policies mentioned in Section II. With these policies in place, the Organization will be able to submit the data collection form on a timely basis.

Name of contact person: Lisa Wigfall, Chief Executive Officer.
