Independent Auditors' Report

Board of Directors
Metropolitan Inter-Faith Association
Memphis, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of Metropolitan Inter-Faith Association (the "Association"), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association, as of June 30, 2018 and 2017, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters - Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards on page 22 is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 9, 2018, on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

1. Summary of Significant Accounting Policies

Description of business

Metropolitan Inter-Faith Association ("MIFA" or the "Association") is an interfaith nonprofit social service agency operating in Memphis, Tennessee, and surrounding areas. MIFA's programs support the independence of vulnerable seniors and families in crisis through high impact programs. Operations are funded through a broad base of individuals, corporations, foundations, congregations, and civic organizations. Federal, state, and local government grants are also an important source of support.

Financial statement presentation

The accompanying financial statements reflect the results of activities of the Association on the accrual basis and are prepared in accordance with the American Institute of Certified Public Accountants, *Audit and Accounting Guide for Not-for-Profit Entities*, which is in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Revenue recognition

The Association records contributions received as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributed materials, space and food (presented as in-kind support) are recorded at their estimated fair values on the date of receipt, consumption, or performance. In accordance with GAAP, contributed services of volunteers are not reflected in the financial statements of the Association which approximated \$2,595,000 and \$2,263,000 for the years ended June 30, 2018 and 2017, respectively.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction is met in the same reporting period. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Functional expenses

Expenses are charged to each program based upon direct expenditures incurred. Any expenditures not specifically identifiable by program are allocated based upon the relative direct cost method.

Cash equivalents

Cash equivalents consist of highly liquid investments, generally with original maturity dates less than three months. Investments represent financial instruments with longer maturity dates and instruments that the Association intends to hold in excess of three months. Investments are reported at fair value with gains and losses included in the statements of activities.

Included in cash and cash equivalents at June 30, 2018 and 2017, are reserve funds of \$49,355 and \$5,414, respectively. Use of these funds is restricted by the U.S. Department of Housing and Urban Development ("HUD").

At times cash balances may be in excess of the Federal Deposit Insurance Corporation insurance limit.

Investment valuation and income recognition

Investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Other interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Association's gains and losses on investments bought and sold as well as held at year end.

Metropolitan Inter-Faith Association Notes to Financial Statements

Changes in the net unrealized market appreciation or depreciation during the year pertaining to investments owned on the last day of the year are included in investment income in the statements of activities. Realized gains or losses on the sale of investments represent the difference between the proceeds received and the cost of the investments sold and are calculated based on the first-in, first-out method.

The Association's investments include various types of securities in various companies within various markets. Investment securities are exposed to several risks, such as interest rate, market and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the Association's financial statements.

Pledges receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The estimated discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. At June 30, 2018 and 2017, the Association had an allowance for uncollectible pledges of \$9,000 and \$10,000 respectively. At June 30, 2018 and 2017, the Association had an allowance for the present value discount of pledges of \$64,404 and \$50,599, respectively.

Land, buildings, and equipment

Purchased fixed assets are stated at cost and assets donated are recorded at estimated fair values. Depreciation is computed over the estimated useful lives of the assets ranging from 3 to 20 years using the straight-line method.

Management reviews long-lived assets for impairment when circumstances indicate the carrying amount of an asset may not be recoverable based on the undiscounted future cash flows of the asset. If the carrying amount of an asset may not be recoverable, a write-down to fair value is recorded. Fair values are determined based on the discounted cash flows, quoted market values, or external appraisals, as applicable. Long-lived assets are reviewed for impairment at the individual asset or the asset group level for which the lowest level of independent cash flows can be identified.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes

The Internal Revenue Service has determined that the Association is not a private foundation and is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code ("IRC"). The Association is required to operate in conformity with the IRC in order to maintain its tax-exempt status. The Association has determined that it does not have any material unrecognized positions as of June 30, 2018, and there is no interest or penalties related to income tax assessments.

Fair value measurements

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Association utilizes market data or assumptions that market participants would use in pricing the asset or liability under a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Metropolitan Inter-Faith Association Notes to Financial Statements

Subsequent events

The Association evaluated the effect subsequent events would have on the financial statements through November 9, 2018, which is the date the financial statements were available to be issued.

Recent accounting pronouncements

The Financial Accounting Standards Board issued Accounting Standards Update (“ASU”) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*, effective for annual financial statements issued for fiscal years beginning after December 15, 2017. The most significant changes within the ASU impact the following areas:

1. **Net Asset Classes** - Net asset classification has been reduced from three classes of net assets (unrestricted, temporarily restricted and permanently restricted) to net assets with donor restrictions and net assets without donor restrictions.
2. **Investment Return** - Investment return will be reported net of external and direct internal investment expenses and those netted expenses are no longer required to be disclosed.
3. **Expenses** - Expenses by both their natural classification and their functional classification will be presented either on the face of the statement of activities, as a separate statement or in the notes to the financial statements.
4. **Liquidity and Availability of Resources** - The ASU requires disclosures that communicate qualitative information of how a not-for-profit entity manages its liquid resources available to meet cash needs for general expenditures within one year of the statement of financial position date, as well as quantitative information that communicates the availability of a not-for-profit entity’s financial assets at the statement of financial position date to meet cash needs for general expenditures with one year of the statement of financial position date.
5. **Presentation of Operating Cash Flows** - Not-for-profit entities can continue to present the statement of cash flows using either the direct method or indirect method. The ASU removes the requirement to present or disclose the indirect method when using the direct method of reporting cash flows.

The above changes only impact the presentation and disclosures within the financial statements. However, within the ASU, there is one change in the accounting requirements for not-for-profit entities. The placed-in-service approach will now be required for reporting expirations of restrictions on gifts of cash or other assets to be used to acquire or construct a long-lived asset. The ASU eliminates the current option that, in the absence of explicit donor stipulations, had allowed a not-for-profit entity to delay reporting of an expiration of a donor imposed restriction for the acquisition or construction of a long-lived asset by electing to report the expiration over time (as the asset is used or consumed, i.e. to match the depreciation expense on the asset) rather than when placed in service.

The Association intends to adopt the new ASU guidance using the retrospective method for the fiscal year ended June 30, 2019.

On June 21, 2018, the FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which applies to all entities that receive or make contributions, including business entities. The criteria for evaluating whether contributions are unconditional (and thus recognized immediately in income) or conditional (for which income recognition is deferred) have been clarified. The focus is whether a gift or grant agreement both (1) specifies a "barrier or hurdle" that the recipient must overcome to be entitled to the resources, and (2) releases the donor from its obligation to transfer resources (or if assets are advanced, a right to demand their return) if the barrier or hurdle is not achieved. An agreement that contains both is a conditional contribution. An agreement that omits one or both is unconditional. No new disclosures are required.

Metropolitan Inter-Faith Association Notes to Financial Statements

For grants/contributions made, donors will use the same criteria as recipients (i.e., a barrier or hurdle coupled with a right of return/right of release) to determine whether gifts or grants are conditional or unconditional. Expense recognition is deferred for conditional arrangements and is immediate for unconditional arrangements.

For federal and other government grants, the ASU clarifies the definition of an exchange transaction. As a result, not-for-profit entities will account for most federal grants as donor-restricted conditional contributions, rather than as exchange transactions (the prevalent practice today). An accommodation ("simultaneous release" option) is provided which, if elected, would allow grants received and used within the same period to be reported in net assets without donor restrictions, consistent with where the grant revenue is reported today.

For transactions in which a non-public entity serves as a resource recipient, the entity should apply the amendments in this ASU on contributions received to annual periods beginning after December 15, 2018. For transactions in which a non-public entity serves as a resource provider, the entity should apply the amendments in this ASU on contributions made to annual periods beginning after December 15, 2019. Early adoption of the amendment is permitted.

2. Investments

Investments of \$11,249,591 as of June 30, 2017, were held with the Community Foundation of Greater Memphis ("CFGM"). These investments were governed by an agreement between the Association and CFGM. Under the Agreement, the MIFA Endowment Special Fund (the "Fund") of CFGM was established to benefit the current and future operations of the Association. The Association can, at any time, without premium or penalty, request that all or part of the assets constituting the Fund be granted to the Association. During fiscal year 2018 substantially all of the investments held by CFGM were granted to the Association and invested in various other investments including limited partnerships and mutual funds. Investments totaled \$12,597,069 as of June 30, 2018.

3. Fair Value Measurements

Prices for money market mutual funds are determined based on transacted amounts, and the resulting fair values are categorized as Level 1. Prices for common stocks are determined based on listed prices for identical securities in actively traded markets and are categorized as level 1.

There is limited or no observable market data for the prices of the pooled fund investments that are held by the Association at CFGM, and the resulting fair values of these securities are categorized as Level 3, pooled fund investments as of June 30, 2018 and 2017, of \$13,549 and \$11,249,591, are invested in publicly traded equity and fixed income securities based on the fair value of the underlying investments.

The fair value of the limited partnership investments held by the Association are categorized as Level 2 or Level 3 depending on the underlying investments and level of transparency of the underlying investments provided by the fund managers.

There were no changes during the years ended June 30, 2018 and 2017, to the Association's valuation techniques used to measure fair values on a recurring basis.

Metropolitan Inter-Faith Association
Notes to Financial Statements

The following table sets forth by level within the fair value hierarchy the Association's financial assets accounted for at fair value on a recurring basis as of June 30, 2018 and 2017. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Association's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and their placement within the fair value hierarchy levels.

| | Assets at Fair Value as of June 30, 2018 | | | |
|----------------------|---|---------------------|---------------------|----------------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual Funds | \$ 350,619 | \$ - | \$ - | \$ 350,619 |
| CFGM Balanced Pool | - | - | 13,549 | 13,549 |
| Limited Partnerships | - | 6,125,469 | 6,107,432 | 12,232,901 |
| | <u>\$ 350,619</u> | <u>\$ 6,125,469</u> | <u>\$ 6,120,981</u> | <u>\$ 12,597,069</u> |

| | Assets at Fair Value as of June 30, 2017 | | | |
|--------------------------|---|----------------|----------------------|----------------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Money Market Mutual Fund | \$ 192,570 | \$ - | \$ - | \$ 192,570 |
| CFGM Balanced Pool | - | - | 13,064 | 13,064 |
| CFGM Fixed Income Pool | - | - | 2,643,720 | 2,643,720 |
| CFGM Equity Pool | - | - | 8,592,807 | 8,592,807 |
| | <u>\$ 192,570</u> | <u>\$ -</u> | <u>\$ 11,249,591</u> | <u>\$ 11,442,161</u> |

Money market mutual funds are included in cash and cash equivalents on the statements of financial position.

The following table illustrates the activity of Level 3 assets from July 1, 2016 to June 30, 2018:

| | |
|-------------------------------|---------------------|
| Fair value at July 1, 2016 | \$ 9,605,788 |
| Realized and unrealized gains | 999,743 |
| Sales | (128,435) |
| Purchases | <u>772,495</u> |
| Fair value at June 30, 2017 | 11,249,591 |
| Realized and unrealized gains | 572,620 |
| Sales | (11,575,068) |
| Purchases | <u>5,873,838</u> |
| Fair value at June 30, 2018 | <u>\$ 6,120,981</u> |

The realized and unrealized gains and losses in the above table are included in investment income on the statement of activities.

Metropolitan Inter-Faith Association
Notes to Financial Statements

4. Land, Buildings, and Equipment

Land, buildings, and equipment consisted of the following as of June 30, 2018 and 2017:

| | <u>2018</u> | <u>2017</u> |
|--------------------------------|--------------------|--------------------|
| Land | \$ 75,850 | \$ 75,850 |
| Buildings and improvements | 3,271,009 | 3,208,006 |
| Office furniture and equipment | 858,424 | 854,667 |
| Motor vehicles | <u>835,066</u> | <u>835,068</u> |
| | 5,040,349 | 4,973,591 |
| Less accumulated depreciation | <u>(4,364,878)</u> | <u>(4,162,369)</u> |
| | <u>\$ 675,471</u> | <u>\$ 811,222</u> |

5. Grants Receivable and Unearned Revenue

Government grants are recognized as revenue when related expenses are incurred. Grants receivable represent program expenditures in excess of grant funds received under specific grants. Unearned grant funds represent funds received in excess of qualifying expenditures. Grants receivable and unearned revenue consisted of the following as of June 30, 2018 and 2017:

| | <u>2018</u> | | |
|---|-------------------|-------------------------|---------------------|
| | <u>Receivable</u> | <u>Unearned Revenue</u> | <u>Net</u> |
| City of Memphis | \$ 98,137 | \$ - | \$ 98,137 |
| Corporation of National and Community Service | 28,090 | - | 28,090 |
| Aging Commission of the MidSouth | 255,930 | - | 255,930 |
| Housing and Urban Development | 74,132 | - | 74,132 |
| Community Alliance for the Homeless | 136,612 | - | 136,612 |
| Memphis Light Gas & Water | - | (797,392) | (797,392) |
| No Hungry Seniors | - | (304,885) | (304,885) |
| Other | - | (101,333) | (101,333) |
| | <u>\$ 592,901</u> | <u>\$ (1,203,610)</u> | <u>\$ (610,709)</u> |
| | <u>2017</u> | | |
| | <u>Receivable</u> | <u>Unearned Revenue</u> | <u>Net</u> |
| City of Memphis | \$ 171,332 | \$ - | \$ 171,332 |
| Corporation of National and Community Service | 36,509 | - | 36,509 |
| Aging Commission of the MidSouth | 265,022 | - | 265,022 |
| Housing and Urban Development | 36,261 | - | 36,261 |
| Community Alliance for the Homeless | 28,584 | - | 28,584 |
| Memphis Light Gas & Water | - | (205,230) | (205,230) |
| No Hungry Seniors | - | (283,242) | (283,242) |
| Other | - | (53,946) | (53,946) |
| | <u>\$ 537,708</u> | <u>\$ (542,418)</u> | <u>\$ (4,710)</u> |

Metropolitan Inter-Faith Association
Notes to Financial Statements

6. Pledges Receivable

Pledges receivable relate to ongoing fundraising efforts to fund current programs and endowment campaign pledges. Pledges receivable consisted of the following as of June 30, 2018 and 2017:

| | <u>2018</u> | <u>2017</u> |
|---|---------------------|---------------------|
| Due in: | | |
| Less than one year | \$ 291,031 | \$ 1,055,880 |
| One to five years | <u>1,842,850</u> | <u>1,479,850</u> |
| | <u>2,133,881</u> | <u>2,535,730</u> |
| Less present value discount and allowance for uncollectible | <u>(73,404)</u> | <u>(60,559)</u> |
| | <u>\$ 2,060,477</u> | <u>\$ 2,475,171</u> |

Approximately 55% of the Association's pledge receivable balances at June 30, 2018 and 2017 were due from three donors.

7. Conditional Promises to Give

The Association has received indications of gifts in the form of bequests which are revocable during the donor's lifetime. Due to the uncertain nature of these intentions, the Association has not recognized an asset or contribution revenue for these gifts. The total intentions to give are approximately \$1,340,000 as of June 30, 2018.

8. Outstanding Borrowings Under Revolving Line of Credit Agreement

The Association maintains a revolving line of credit agreement ("LOC") with a bank with a maturity date of March 31, 2019. Funds available under the LOC are \$500,000, there were no outstanding borrowings at June 30, 2018 and 2017.

Outstanding borrowings, if any, bear interest based on the lenders base commercial lending rate less .5% (3.75% at June 30, 2018). The debt is secured by a certificate of deposit for \$500,000. This agreement also requires the Association to maintain certain financial covenants. At June 30, 2018 the Association was in compliance with all financial debt covenants.

9. Unrestricted Net Assets – Board Designated

At its discretion, the Board may designate funds for specific purposes. As of June 30, 2018 and 2017, the Board has designated unrestricted net assets as follows:

| | <u>2018</u> | <u>2017</u> |
|---|---------------------|---------------------|
| Invested in land, buildings and equipment | \$ 675,471 | \$ 999,574 |
| Endowment – board designated | <u>1,058,511</u> | <u>1,058,511</u> |
| | <u>\$ 1,733,982</u> | <u>\$ 2,058,085</u> |

10. Endowment

During fiscal 2014, the Association launched a permanent endowment campaign to raise funds in order to establish a permanent source of supplemental funding to enhance development and growth of Association programs. Donor contributions to the Permanent Endowment Fund are held by an investment manager in a segregated account and are reflected as Permanently Restricted net assets in the Association's financial statements. Permanently restricted net assets are restricted to investment in perpetuity, the income of which is expendable for operations of the Association and therefore, temporarily restricted.

Interpretation of relevant law

The Board of Directors of the Association has interpreted the State Prudent Management of Institutional Funds Act ("SPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Association classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the directions of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Association in a manner consistent with the standard of prudence prescribed by SPMIFA. The Association generally appropriates and spends the temporary restricted assets in the same year; therefore, there are limited temporarily restricted endowment funds at year end.

In accordance with SPMIFA, the Association considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of the Association and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Association, and (7) the investment policies of the Association.

The Association has adopted a total return concept for investing which can offer the advantage of designing long-term investment strategies as opposed to interest-sensitive short term policies and provide for the best balances between current income and long-term growth. The total return concept allows both the use of current income, and over time, a portion of capital appreciation as part of its payout rate. Allocations to operations may come from (1) dividends, (2) interest payments from debt securities, (3) growth in the value of the fund from capital appreciation of equity securities, (4) interest from cash or cash equivalents, and (5) sale of securities.

Expendable funds from board designated assets, temporarily restricted assets, and permanently restricted assets, will be determined on the basis of total return principle including interest, dividends, capital appreciation or prior year accumulations of any of those three sources.

The amount allocated for Association use (the "spending allocation") will be 4%-5% (the spending rate) of the market value of the Restricted Funds averaged over the most recent 12 quarters (3 years). The spending allocation is calculated by taking the average of the fair market value of the fund on the last day of each of the 12 prior quarters and multiplying that average by the spending rate. Notwithstanding the above, no distribution may be made from a fund, the gift instrument of which restricts the expenditure of its principal, which would result in a reduction of the fund below its historical dollar value.

Allocations for Association use will be distributed as needed unless the cash is not required, or is unavailable. In such cases, the funds may remain invested.

Metropolitan Inter-Faith Association
Notes to Financial Statements

The Association has also established a Board Designated Endowment Fund that is included in the endowment. These Board designated net assets are reported as unrestricted in the Association's financial statements. The Association is authorized by the Board to use investment earnings equivalent to 5% of the five-year moving average ending fund balance to fund current operations. Investment earnings, not utilized to fund current operations, are added to the principal balance of the Board Designated Endowment Fund. Under the terms of the Board Designated Endowment Fund Agreement, the MIFA Board has the right to invade the principal amount of the Board Designated Endowment Fund upon ratification by a majority vote.

Changes in endowment net assets for the years ended June 30, 2017 and 2016, are as follows:

| | Board Designated Unrestricted | Temporarily Restricted | Permanently Restricted | Total |
|---|--|-----------------------------------|-----------------------------------|-----------------------------|
| Endowment net assets, July 1, 2016 | \$ 1,092,543 | - | 10,677,420 | 11,769,963 |
| Investment return: | | | | |
| Investment income | 23,517 | 226,121 | - | 249,638 |
| Net unrealized gain | <u>70,886</u> | <u>679,218</u> | <u>-</u> | <u>750,104</u> |
| Total investment return | 94,403 | 905,339 | - | 999,742 |
| Contributions | - | - | 37,521 | 37,521 |
| Appropriation of endowment assets for expenditures | <u>(128,435)</u> | <u>-</u> | <u>-</u> | <u>(128,435)</u> |
| Endowment net assets, June 30, 2017 | 1,058,511 | 905,339 | 10,714,941 | 12,678,791 |
| Investment return: | | | | |
| Investment income | 669 | 7,691 | - | 8,360 |
| Net unrealized gain | <u>68,328</u> | <u>786,299</u> | <u>-</u> | <u>854,627</u> |
| Total investment return | 68,997 | 793,990 | - | 862,987 |
| Contributions | - | - | 12,101 | 12,101 |
| Donor modification | - | - | (40,377) | (40,377) |
| Appropriation of endowment assets for expenditures | <u>(68,997)</u> | <u>(230,523)</u> | <u>-</u> | <u>(299,520)</u> |
| Endowment net assets, June 30, 2018 | <u>\$ 1,058,511</u> | <u>\$ 1,468,806</u> | <u>\$ 10,686,665</u> | <u>\$ 13,213,982</u> |

11. Employee Retirement Plan

The Association participates in a 401(k) deferred compensation plan (the "Plan"), which permits employees to elect to defer up to the maximum amount allowable by law until their retirement. The retirement benefit to be provided is based upon the amount of compensation deferred and a discretionary amount determined each year by the Association, based upon the employee's compensation and years of service with the Association. An individual generally vests immediately upon their entry date into the Plan. Deferred compensation expense was \$40,008 and \$40,003 for the years ended June 30, 2018 and 2017, respectively.

Supplementary Information

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors
Metropolitan Inter-Faith Association
Memphis, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Metropolitan Inter-Faith Association (the "Association") (a non-profit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 9, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express and opinion on the effectiveness of the Association's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for the Major Program and on Internal Control Over Compliance Required by Uniform Guidance

Board of Directors
Metropolitan Inter-Faith Association
Memphis, Tennessee

Report on Compliance for the Major Federal Program

We have audited Metropolitan Inter-Faith Association's (the "Association") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Association's major federal program for the year ended June 30, 2018. The Association's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on the compliance for the Association's major federal program based on our audit of the type of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the type of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Association's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Association's compliance.

Opinion of the Major Federal Program

In our opinion, the Association complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of the Association is responsible for establishing and maintaining effective internal control over compliance with the types of compliance referred to above. In planning and performing our audit of compliance, we considered the Association's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for a major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charge with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Metropolitan Inter-Faith Association
Schedule of Expenditures of Federal Awards

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Metropolitan Inter-Faith Association and is presented on the accrual basis of accounting. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the presentation of, the basic financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Association has not elected to use the 10% de minimis indirect cost rate as allowed under Uniform Guidance.

**Metropolitan Inter-Faith Association
Schedule of Findings and Questioned Costs**

Part I – Summary of Audit Results

1. The independent auditors' report on the financial statements of Metropolitan Inter-Faith Association (the "Association") expressed an unmodified opinion on whether the schedule of expenditures of federal awards audited were prepared in accordance with accounting principles generally accepted in the United States of America.
2. No material weaknesses or significant deficiencies relating to the audit of the financial statements are reported in the Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*.
3. No instances of noncompliance considered material to the financial statements were disclosed by the audit.
4. No material weaknesses relating to the audit of major federal award programs is reported in the Independent Auditors' Report on Compliance for the Major Program and on Internal Control Over Compliance Required by Uniform Guidance.
5. The Independent Auditors' Report on Compliance for the Major Program and on Internal Control Over Compliance Required by Uniform Guidance expressed an unmodified opinion.
6. There were no audit findings relative to the major federal awards program.
7. The Association's major programs were the HUD Rapid Rehousing and Community Development Block Grant (CFDA 14.235 and 14.255).
8. A threshold of \$750,000 was used to distinguish between Type A and Type B programs as those terms are defined in Uniform Guidance.
9. The Association qualified as a low-risk auditee as that term is defined in Uniform Guidance.

Part II – Findings – Financial Statements Audit

None

Part III – Finds and Questioned Costs – Major Federal Awards
