Front Steps, Inc.

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial statements of Front Steps, Inc. (Front Steps), a nonprofit organization, which comprise the statement of financial position as of 30 September 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Front Steps as of 30 September 2018 and changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards (page 15), as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated 11 April 2019, on our consideration of Front Steps' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Front Steps' internal control over financial reporting and compliance.

FRONT STEPS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: ORGANIZATION

Front Steps, Inc. (Front Steps), formerly known as the Capital Area Homeless Alliance, Inc., is a corporate organization under the Nonprofit Corporation Act of the state of Texas. Front Steps was organized in March 1997 in response to the Community Action Network's Comprehensive Plan for Addressing Homelessness in Austin/Travis County. Front Steps manages the Austin Resource Center for the Homeless (ARCH) located in Austin, Texas, for the City of Austin. Activities are funded by government grants and private contributors. Programs consist of:

ARCH - ARCH serves as a central point of intake and assessment for homeless persons. ARCH is designed to assess client needs, provide information on services, and meet the basic needs of homeless adults, as well as provide a daytime shelter location.

Central Texas Recuperative Care Project (Recuperative Care) - Recuperative Care is a collaboration between Front Steps, St. David's Community Health Foundation and the St. David's and Seton hospital systems. The program assists its clients with recuperative medical assistance and transitional housing.

Keep Austin Housed - Keep Austin Housed manages the services of AmeriCorps members who partner with social services agencies to provide case management services, counseling and mentoring for homeless people.

Housing - Front Steps provides a full range of services to clients related to transitional and permanent housing by assisting them in moving from homelessness to safe, affordable long term housing.

Veterans Administration Housing - The Support Services for Veteran Families (SSVF) Program provides short term, rapid rehousing assistance with intensive case management to very low- income veteran families to obtain stable permanent housing. The SSVF program focuses on intensive case management to help participants increase their ability to sustain permanent housing and reach their greatest potential.

Rapid Rehousing Services - Front Steps eliminates barriers to housing for very low-income individuals through short-term, rapid rehousing assistance coupled with intensive case management. Assistance may be in the form of rental down payment, utility assistance, elimination of debt, and other financial assistance.

FRONT STEPS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

FINANCIAL STATEMENT PRESENTATION

Front Steps is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. Front Steps has not received any permanently restricted net assets.

Unrestricted Net Assets

Unrestricted net assets result from city and agency contracts, government awards, unrestricted contributions, investment income, less expenses incurred in operations, to raise contributions, and for administrative functions.

Temporarily Restricted Net Assets

Support that is restricted by the donor is recorded as an increase in temporarily restricted net assets. When a restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets.

BASIS OF ACCOUNTING

Front Steps uses the accrual basis of accounting. Contracts and grants are recorded as revenue when the funds are considered earned, regardless of when cash is received. Cost reimbursement contracts are recorded as revenue when the costs are incurred and contributions are recorded as support when the funds are awarded. Expenses are recorded when incurred regardless of when cash is disbursed.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include all monies in banks and money market funds held in brokerage accounts. The carrying value of cash equivalents approximates fair value because of the highly liquid nature of those financial instruments.

CONTRIBUTIONS

Contributions received are recorded at fair value as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon satisfaction of the restriction or expiration of the time restriction.

FRONT STEPS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

FEDERAL AND STATE AWARDS AND RECEIVABLES

Cost reimbursement grant revenue is generally considered earned as services are rendered and allowable expenses are incurred. Unconditional grants are recorded as support when the funds are awarded. Deferred revenue is recognized when cash is received prior to the revenue being earned. Grants receivable are recorded when revenue is earned prior to cash being received. Front Steps expects all grants receivable to be fully collected; therefore, an allowance of doubtful accounts has not been recorded.

FEDERAL INCOME TAXES

Front Steps is a publicly supported organization exempt from federal income taxes under IRS Code Section 501(c)(3). Therefore, no provision has been made for federal income taxes in the accompanying financial statements. Front Steps' policy is to record interest and penalties related to income taxes as interest and other expense, respectively.

At 30 September 2018, no interest and penalties have been or are required to be accrued.

FUNCTIONAL EXPENSE ALLOCATION

Front Steps allocates common costs between program services, administration, and fundraising by estimating the percentage of total labor spent on each category. The estimates are reviewed periodically and the allocations revised, if necessary, to reflect changes in the activities of the organization.

FIXED ASSETS

Fixed assets are stated at cost if purchased or fair market value at the date of receipt if donated. Purchases are capitalized if the estimated useful service life of the asset is more than one year and the cost is at least \$5,000. Depreciation is computed using the straight-line method over the estimated useful life (5 years for furniture, fixtures and equipment).

ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

SUBSEQUENT EVENTS

The management of Front Steps has evaluated subsequent events as of the date of the Independent Auditor's report, the date the financial statements were available to be issued.

FRONT STEPS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 3: CONTRIBUTED GOODS AND SERVICES

Front Steps receives services donated by various sources in support of the Clothing Closet, preparation of meals, the front desk, and other programs. Front Steps estimates the donated service hours to be approximately 10,215 hours, which are valued at \$252,208. These services have not been recorded in the financial statements because they did not require specialized skills. Additionally, Front Steps received contributed food and supplies, which are available for all programs, valued at \$689,007. These are recorded as contribution revenue and as donated food and supplies expense.

NOTE 4: FIXED ASSETS

| | |
|-----------------------------------|------------------|
| Furniture, fixtures and equipment | \$684,225 |
| Vehicles | 24,718 |
| Accumulated depreciation | <u>(488,405)</u> |
| | <u>\$220,538</u> |

As part of Front Steps' management contract with the City of Austin, the City of Austin provides the facilities for the City's ARCH program. Front Steps serves the City of Austin under the contract as manager of the program, and therefore has no facilities of its own.

NOTE 5: GRANT CONTINGENCY

Front Steps receives substantial funding under cost reimbursement grants. Any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds as a result of noncompliance with the terms of the grant contracts. Management believes requests for reimbursement, if any, would not be significant. Front Steps does not maintain collateral for its receivables and does not believe significant risk existed at 30 September 2018.

NOTE 6: CONCENTRATIONS

For the year ended 30 September 2018, funding provided by the City of Austin represented 44% of total revenue. Funding from two additional sources represented another 13% and 10% of total revenue. The receivables due from these three funding sources represented 78% of total receivables.

Cash at year-end exceeded FDIC coverage by \$430,344.

NOTE 7: TEMPORARILY RESTRICTED NET ASSETS

| | |
|----------------------|-----------------|
| Transitional Housing | \$24,773 |
| Veteran Assistance | <u>25,878</u> |
| | <u>\$50,651</u> |

FRONT STEPS, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 8: FUNCTIONAL EXPENSES

Program:

| | |
|---------------------------------|--------------------|
| ARCH | \$3,296,916 |
| Veterans Administration Housing | 976,655 |
| Housing | 642,993 |
| Keep Austin Housed | 595,646 |
| Recuperative Care | 820,766 |
| Rapid Rehousing Services | <u>88,719</u> |
| | 6,421,695 |
| Fundraising | 151,234 |
| Administration | <u>585,159</u> |
| | <u>\$7,158,088</u> |

NOTE 9: OPERATING LEASES

Front Steps leases office space under an operating lease which will expire in February 2021. Total office rent expense for the year ended 30 September 2018 amounted to approximately \$36,000. Total minimum future office lease payments are:

| | |
|------|-----------------|
| 2019 | \$37,638 |
| 2020 | 38,614 |
| 2021 | <u>16,258</u> |
| | <u>\$92,510</u> |

CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors and Management
Front Steps, Inc.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Front Steps, Inc. (Front Steps) which comprise the statement of financial position as of 30 September 2018, and the related statements of activities and cash flows for the year then ended, and the notes to the financial statements, and have issued our report thereon dated 11 April 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Front Steps' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Front Steps' internal control. Accordingly, we do not express an opinion on the effectiveness of Front Steps's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

2525 WALLINGWOOD DRIVE
BUILDING 1, SUITE 200
AUSTIN, TEXAS 78746
PHONE: 512.442.0380
FAX: 512.442.0817
www.montemayor.team

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Front Steps' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Front Steps, Inc.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Report on Compliance for Each Major Federal Program

We have audited Front Steps, Inc.'s (Front Steps) compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Front Steps' major federal programs for the year ended 30 September 2018. Front Steps' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Front Steps' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Front Steps' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Front Steps' compliance.

Opinion on Each Major Federal Program

In our opinion, Front Steps complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended 30 September 2018.

Report on Internal Control Over Compliance

Management of Front Steps is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Front Steps' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Front Steps' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of the testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
